Currently, the employee contribution is 3% and the employer contribution varies depending on fiscal year legislation. You also have the opportunity to participate in either the FRS Pension Plan or Investment Plan. The vesting requirement is 6 or 8 years for the Pension Plan (dependent upon initial date of enrollment into the FRS) or one year for the Investment Plan.

Valencia has partnered with Corebridge Financial (formerly AIG Retirement Services) to administer and provide the best benefit programs for Valencia employees. Through our partnership with Corebridge, employees have access to a variety of services to help plan, save and invest for retirement, including financial advising and educational workshops. Build your retirement portfolio by investing in the 457(b) or 403(b) voluntary plans. Plans offer immediate vesting and are portable, which means they can be rolled into investment options.
