Scholarships

**Policy
Statement:**

- I. The District Board of Trustees authorizes the president to offer scholarships as authorized by law and by State Board of Education Rules. The president or his designee may determine the number and amounts of scholarships or partial scholarships to be granted, provided that the category, number and dollar amounts do not exceed the funds available or the requirements established by law. The amount of scholarship funds shall be included in the operating budget of the College and designated in the loan and scholarship account.
- II. Operating procedures for the selection and payment of scholarships shall be developed and administered by the Director of Financial Aid.

Procedures:

- I. Valencia Scholarships are funded through the Financial Aid Fee assessed to each course credit and are administered according to the provisions of Section 240.35 (6), F.S. A report of revenue collected and expenditures by category must be filed annually with the Division of Florida Colleges.
- II. The president or his designee may determine the number and amounts of scholarships or partial scholarships to be granted, provided that the number and dollar amounts do not exceed the funds available and meet the statutory requirements. The amount of scholarship funds shall be included in the operating budget of the College and designated in the loan and scholarship account.

- III. The following scholarships have been established. Additional scholarships may be created by the president or his designee in order to meet the needs of students.

All scholarships shall be administered by the Director of Financial Aid.

A. PRESIDENT'S ACADEMIC SCHOLARSHIP
