DISCRIMINATION, HARASSMENT AND RELATED MISCONDUCT

(Including Sexual and Gender-Based Harassment, Sexual Assault, Sexual Exploitation, Interpersonal Violence, Stalking, Complicity, and Retaliation)

Policy Statement

I. NOTICE OF NON-DISCRIMINATION BASED ON PROTECTED STATUS

- A. It is the policy of the District Board of Trustees to provide equal opportunity for employment and educational opportunities to all applicants for employment, employees, applicants for admission, students, and others affiliated with the College, without regard to **race, ethnicity, color, national origin, age, religion, disability, marital status, sex/gender, genetic information, sexual orientation, gender identity, pregnancy, and any other factor protected under applicable federal, state, and local civil rights laws, rules and regulations (collectively referred to as “Protected Status”)**.
- B. In addition, Valencia College (“Valencia” or “College”) strives to be a community in which all members can learn and work in an atmosphere free from all forms of **Harassment**, including **Sexual Harassment, discrimination, intimidation and/or retaliation**. This Policy prohibits all forms of **Discrimination** and **Harassment** based on **Protected Status**. It expressly, therefore, also prohibits **Sexual Assault** and **Sexual Exploitation**, which by definition involve conduct of a sexual nature and are prohibited forms of Sexual or Gender-Based **Harassment**. This Policy further prohibits **Stalking** and **Interpersonal Violence**, which need not be based on an individual’s **Protected Status**. Finally, this Policy prohibits **Complicity** for knowingly assisting in an act that violates this Policy and Retaliation against an individual because of their good faith participation in the reporting, investigation, and/or adjudication of violations of this Policy. These behaviors are collectively referred to in this Policy as Prohibited Conduct.
- C. All members of the **College community** are responsible for conducting themselves in accordance with this Policy and other College policies and procedures. Valencia students and employees who violate this Policy may face discipline up to and including expulsion or termination.
- D. The College’s protection of these statuses is grounded in federal, state, and local laws. The College encourages all community members to take reasonable and prudent actions to prevent or

stop Prohibited Conduct. Taking action may include direct intervention when safe to do so, seeking assistance from a person in authority at the College, enlisting the assistance of friends, contacting law enforcement, or contacting Campus Safety and Security. Members of the [College community](#) who exercise this positive responsibility will be supported by the College and protected from Retaliation.

E. The College has an obligation to make reasonable efforts to investigate and address known or suspected instances of Prohibited Conduct. To foster a climate that encourages prevention and reporting of Prohibited Conduct, the College will actively promote prevention efforts, educate the [College community](#), respond to all reports promptly, provide Interim Protective Measures to address safety and emotional well-being, and act in a manner that recognizes the inherent dignity of the individuals involved.

II. **SEXUAL OR GENDER BASED HARASSMENT, SEXUAL ASSAULT, SEXUAL EXPLOITATION, INTERPERSONAL VIOLENCE, AND STALKING**

A. Title IX of the Education Amendments of 1972 states that:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to [discrimination](#) under any education program or activity receiving Federal financial assistance.

B. Sexual or Gender-Based [Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), and Retaliation, as defined in this Policy, are prohibited forms of [discrimination](#) under Title IX, which covers all of the College's programs and activities. Like racial, religious, and [national origin Harassment](#), Sexual or Gender-Based [Harassment](#) and Sexual Violence are also prohibited under Title VII of the Civil Rights Act of 1964, Section 760 et al, F.S., and other applicable laws.

C. The College's prohibition against [Interpersonal Violence](#) (including domestic and dating violence) and [Stalking](#) is also governed by federal law because these forms of behavior are prohibited by the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, 20 U.S.C. § 1092(f) (the Clery Act) and Section 304 of the Violence Against Women Reauthorization Act of 2013. Such acts violate the essential dignity of our community member(s) and are contrary to our institutional values.

D. The College, as an educational community, will promptly and equitably respond to reports of [Sexual Assault](#), [Interpersonal Violence](#), and [Stalking](#) in order to eliminate the [Harassment](#), prevent its recurrence, and address its effects on any individual or the community. The College recognizes that [Sexual Assault](#), [Interpersonal Violence](#), and [Stalking](#) encompass a broad spectrum of conduct and will respond according to both the severity of the offense and the threat it poses to the campus community.

III. **PROHIBITED CONDUCT**

This Policy prohibits all forms of Discrimination and [Harassment](#) based on an individual's Protected Status, including (as defined in Appendix A and hyperlinked throughout), [race](#), [color](#), [national origin](#), [ethnicity](#), [age](#), [religion](#), [disability](#), marital status, [sex/gender](#), [genetic information](#), [sexual orientation](#), [gender identity](#), pregnancy, and any other factor protected under applicable federal state, and local civil rights laws, rules and regulations. In addition, this Policy prohibits

related misconduct, including [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), [Stalking](#), Complicity, and Retaliation.

ADDITIONAL GUIDANCE ABOUT [DISCRIMINATION](#) AND [HARASSMENT](#)

Consistent with the definitions provided in Appendix A, conduct that constitutes [Discrimination](#) and [Harassment](#) based on Protected Status:

1. May be blatant and involve an overt action, threat, or reprisal; or may be subtle and indirect, with a coercive aspect that is unstated but implied.
2. May or may not include intent to harm.
3. May not always be directed at a specific individual.
4. May be committed by anyone, regardless of Protected Status, position, or authority.
5. May be committed by a stranger, an acquaintance, or someone with whom the Reporting Party has a current or previous relationship, including a romantic or sexual relationship.
6. May be committed by or against an individual or by or against an organization or group.
7. May occur in the classroom, in the workplace, or in any other setting.
8. May be a pattern of behavior or, if sufficiently severe, a one-time event.
9. May be committed in the presence of others, when the Reporting Party and Responding Party are alone, or through remote communications, including email, text messages, or social media.
10. May take the form of threats, assault, property damage, economic abuse, and violence or threats of violence.
11. May include harassing or retaliatory behavior directed to a sexual or romantic partner, family member, or friend of the Reporting Party.

IV. SCOPE AND APPLICABILITY OF THE POLICY

A. Individuals covered by this policy

1. This Policy and associated procedures apply to the conduct of and protect College students, employees, interns, volunteers, and visitors. The non-[discrimination](#) provisions also apply to contractors and other third parties under circumstances within the College's control.
2. When used in this Policy, Reporting Party refers to any individual who may have been the subject of any Prohibited Conduct by an individual or organization covered under the Policy, regardless of whether the Reporting Party makes a report or seeks action under the Policy. Responding Party refers to any individual who has been alleged to have violated the Policy.

B. Locations covered by this policy

1. This Policy applies to all Prohibited Conduct that occurs on campus (including the District Office, centers, and other property owned or leased by the College). It also applies to Prohibited Conduct that occurs off campus, including online or electronic conduct, if the conduct occurs in the context of an employment or education program or activity of the College, has continuing adverse effects on campus, or has continuing adverse effects in an off-campus employment or education program or activity. Examples of covered off-campus

conduct include conduct that occurs at College-sponsored events and activities, during study abroad, or in internship programs. In determining whether the College has jurisdiction over off-campus conduct that is not part of an educational program or activity of the College, and in evaluating “continuing adverse effects,” the [Title IX Coordinator](#) will consider the seriousness of the alleged conduct, the risk of harm involved, whether both parties are members of the campus community, whether the off-campus conduct is part of a series of actions that occurred both on and off campus, the nature/scope of the continuing effect on campus, and whether the alleged conduct has created a hostile environment.

2. Regardless of when, where, and with whom the conduct occurred, the College will offer reasonably available resources and assistance to individuals covered by this Policy who report or experience Prohibited Conduct. In cases of [Sexual Assault](#), [Interpersonal Violence](#), and [Stalking](#), if the Responding Party is not a member of the [College community](#), the College will also assist the Reporting Party in identifying and contacting external law enforcement agencies and community resources.

V. DEFINITIONS

A complete glossary of terms may be found in Appendix A.

VI. ANNUAL REVIEW

This Policy is maintained by the [Title IX Coordinator](#). The [Title IX Coordinator](#) and the [Equal Opportunity Response Team](#) will review this Policy on at least an annual basis. The review will capture evolving legal requirements, evaluate the support and resources available to the parties, and assess the effectiveness of the resolution process (including the fairness of the process, the time needed to complete the process, and the sanctions and remedies imposed). The review will include the opportunity for individuals affected by the Policy to provide feedback and will incorporate an aggregate view of reports, resolution, and climate.

VII. IMPLEMENTATION

The President or designee(s) shall adopt procedures to implement this Policy.

This Policy shall apply to all Reports alleging violation made on or after February 25, 2015, regardless of when the conduct is alleged to have occurred. This Policy supersedes any policies and procedures to the contrary.

Adopted 12-10-02; Amended 12-21-04; Amended 12-18-12; Amended 2-25-2015; Formerly 1-12, 2-1, 2-2, 2-3, 10-6

Procedures (Adopted 2-25-2015; Date of Last Review 06-26-2019)

These internal procedures provide mechanisms for students, faculty, and staff to receive a fair investigation and hearing on issues covered by Policy 6Hx28:02-01. Students/employees are not required to exhaust these procedures with regard to any report alleging violation before pursuing remedies outside the College with any applicable external enforcement agencies, including the Equal Employment Opportunity Commission, the Florida Commission on Human Relations, the Office for Civil Rights of the Department of Education, the Department of Justice, and the Department of Labor.

I. REPORTING PROHIBITED CONDUCT

- A. The College encourages all individuals to report Prohibited Conduct to the College and, if appropriate, to local law enforcement. Both College and criminal reports may be pursued simultaneously. College officials can assist a Reporting Party in contacting local law enforcement, at the request of the Reporting Party.
- B. Although a report may come in through many sources, the College is committed to ensuring that all reports are referred to the Director, Equal Opportunity & Employee Relations who, with consultation from the Title IX Coordinator, will ensure consistent application of the Policy to all individuals and allow the College to respond promptly and equitably to eliminate the [Harassment](#), prevent its recurrence, and eliminate its effects. The College provides reporting options through multiple contact points across campuses that are broadly accessible to all [College community](#) members. The College's [Title IX Coordinator](#) oversees the investigation and resolution of all Prohibited Conduct covered by the Policy on Prohibited [Discrimination](#), [Harassment](#), and Related Misconduct (the "Policy"). To report an incident involving Prohibited Conduct or discuss any aspect of the Policy, individuals are encouraged to contact the [Title IX Coordinator](#) or any of the designated College officials who together comprise the College's Equal Opportunity Response Team (see Appendix B).
- C. The College recognizes that deciding whether to make a report and choosing how to proceed are personal decisions. At the time a report is made, a Reporting Party does not have to decide whether to request any particular course of action or know how they wish to proceed, if at all. Choosing to make a report and deciding how to proceed after making the report can be a process that unfolds over time. The College will make every effort to respect an individual's autonomy in making the determination as to how to proceed, and as described below, will balance agency and

autonomy with the College's obligation to provide a safe and non-discriminatory learning and working environment. Resources are available to support a Reporting Party regardless of the course of action chosen. All individuals are encouraged to make a report, regardless of when, where, or with whom the incident occurred, and to seek any necessary assistance from campus or community resources.

- D. The report may be made in person, by telephone, in writing, by email, or by other electronic means. Reports may be anonymous. Reports will be shared as appropriate with members of the College's [Equal Opportunity Response Team](#). As may be required by law, any report involving a minor will be shared with the Florida Department of Children and Family Services and law enforcement agencies.

1. Emergency and External Reporting Options for Reports of [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and [Stalking](#)

The College encourages all individuals to seek assistance from law enforcement and/or a medical provider (see list in Appendix D) as soon as possible after an incident of [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), or [Stalking](#). This is the best option to ensure preservation of evidence and to begin a timely investigation and remedial response. Contacting law enforcement does not automatically lead to the filing of criminal charges, and a Reporting Party may discuss available options with local authorities. The College will assist any Valencia community member in utilizing community resources to obtain a safe place and will provide transportation to the hospital or law enforcement agency, coordination with a law enforcement investigation, and information about on- and off-campus resources and options for resolution.

2. Discrimination and Harassment Based on Disability

The Title IX Coordinator serves as the employee responsible for coordinating the College's efforts with regard to Section 504 of the Rehabilitation Act of 1970 and Title II of the Americans with Disabilities Act of 1990 and their implementing regulations. Those wishing to report discrimination or harassment based on disability should contact the Title IX Coordinator.

3. Anonymity, **Privacy**, **Confidentiality**, and College Obligations

The College will seek action consistent with the Reporting Party's request where possible. Where a Reporting Party makes a report but requests that a name or other identifiable information not be shared with the Responding Party or that no formal action be taken, the College will balance this request with its dual obligation to provide a safe and non-discriminatory environment for all Valencia community members and to remain true to principles of fundamental fairness that require notice and an opportunity to respond before action is taken against a Responding Party.

a. Anonymity

- i. The College will take all reasonable steps to investigate and respond to the report alleging violation consistent with a request for anonymity or request not to pursue an investigation, but its ability to do so may be limited based on the nature of the request by the Reporting Party. The College will assess any barriers to proceeding, including Retaliation, and will inform the Reporting Party that Title IX and this policy prohibit Retaliation and the College will take strong responsive action to protect the Reporting Party. Where the College is unable to take action consistent with the request of the Reporting Party, the **Title IX Coordinator (or designee)** will communicate with the Reporting Party about the College's chosen course of action, which may include the College's choosing to pursue action against a Responding Party on its own behalf. Alternatively, the College may take non-disciplinary measures to remedy and limit the effects of the misconduct and prevent any recurrence while protecting the identity of the Reporting Party.
- ii. For any report under this Policy, every effort will be made to respect and safeguard the **privacy** interests of all individuals involved in a manner coinciding with the need for a careful assessment of the report and any necessary steps to eliminate the conduct, prevent its recurrence, and address its effects. **Privacy** and **confidentiality** have distinct meanings under this Policy.

b. **Privacy**

Privacy generally means that information related to a report under this Policy will be shared only with those College employees who need to know in order to assist in the active review, investigation, or resolution of the report. While not bound by **confidentiality**, these individuals will be discreet and respect the **privacy** of all individuals involved in the process. If the decision is made to pursue disciplinary action against a Responding Party, information related to the report will be shared with the Responding Party. Information regarding a report may be shared with either party's parents or

guardians as may be authorized under the Family Education Rights and [Privacy Act](#) (FERPA).

c. [Confidentiality](#)

- i. [Confidentiality](#) means that information shared with designated community professionals, referred to in this Policy as External Confidential Resources, will be disclosed only with the individual's express written permission. External Confidential Resources will not share information about an individual (including whether that individual has received services) with anyone, including the College, without the individual's express written permission, unless there is a continuing threat of serious violence to the patient/client or to others, or there is a legal obligation to reveal such information (e.g., suspected abuse or neglect of a minor).
- ii. There are no College employees with legally-protected [confidentiality](#). However, the College provides students and employees with access to External Confidential Resources (see Appendix E).

4. Reporting Obligations of Employees and Students

A report of Prohibited Conduct should be made to the Designated Reporting Options, comprised of members of the [Equal Opportunity Response Team](#). The College recognizes, however, that an individual may choose to share information with other College employees, including those College employees designated as [Responsible Employees](#). Information shared with a Responsible Employee must immediately be shared with the [Title IX Coordinator](#) or a member of the [Equal Opportunity Response Team](#).

a. [Responsible Employees](#)

- i. Employees, including but not limited to, those with administrative or supervisory responsibilities on campus or who have been designated as Campus Security Authorities are considered [Responsible Employees](#). Because the College has an obligation to make reasonable efforts to investigate and address instances of known or suspected Prohibited Conduct, [Responsible Employees](#) and Campus Security Authorities who have information or receive a report of Prohibited Conduct must immediately share with the [Title IX Coordinator](#) all known details of an incident. No identifying information with respect to a Reporting Party, however, will be entered in the College's daily crime log or annual security report, or released in a timely warning or community notification. The list of [Responsible Employees](#) includes, for example, the President, Vice Presidents, Campus Presidents, Deans, Directors, supervisors, Campus Safety officers, Counselors, Discipline Coordinators, Department Chairpersons, and faculty and staff who serve as [advisors](#) to student groups. A full list of Responsible Employees can be found in Appendix C.
- ii. [Responsible Employees](#) will safeguard an individual's [privacy](#), but are required by the College to immediately share all details about a report of Prohibited

Conduct (including the known details of the incident [e.g., date, time, location], the names of the parties involved, a brief description of the incident, and whether the incident has been previously reported) with the [Title IX Coordinator](#) or a member of the [Equal Opportunity Response Team](#) in person, by telephone, electronically, or by email. Such reporting ensures timely support for all parties and enables an effective and consistent institutional response.

b. All Other Employees

All other employees are strongly encouraged to share any information about such conduct with the [Title IX Coordinator](#) or a member of the [Equal Opportunity Response Team](#), in recognition of the understanding that centralized reporting is an important tool to address, end, and prevent Prohibited Conduct. All College employees are required to safeguard an individual's [privacy](#).

c. Students

All students (who are not otherwise required to report as a Responsible Employee) are strongly encouraged to report any information, including reports or partial reports, to the [Title IX Coordinator](#) or a member of the [Equal Opportunity Response Team](#).

5. Reports involving Minors

Florida law requires any person who knows, or has reasonable cause to suspect, that a child (under 18 years of [age](#)) is abused, abandoned, or neglected, immediately to report such knowledge or suspicion to the Florida Department of Children and Family Services (DCF). In addition, Florida law prohibits any person from knowingly and willfully preventing another person from meeting their reporting obligation to DCF. Any person may contact local law enforcement authorities to make a report of suspected child abuse at any time; however, this does not negate the statutory obligation to also report to DCF.

Any individual may make a direct report as follows:

- a. If a child is in immediate danger, call 911, then contact DCF.
- b. If there is no immediate danger, contact DCF's statewide hotline, 24 hours a day, 7 days a week, at 1-800-962-2873; or via facsimile at 1-800-914-0004; or via the web at
- c. <http://www.myflfamilies.com/service-programs/abuse-hotline/report-online>.

Additional information regarding reporting suspected child abuse or neglect may be found in the College's Policy on Child Abuse Reporting, which may be found here: <http://valenciacollege.edu/generalcounsel/policy/documents/Volume10/10-09-Child-Abuse-Reporting.pdf>.

6. Timeliness of Report, Location of Incident

Reporting Parties and third party witnesses are encouraged to report [Discrimination](#), [Harassment](#), Sexual and [Gender-Based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Stalking](#), [Interpersonal Violence](#), [Complicity](#), and Retaliation as soon as possible in order to maximize the College's ability to respond promptly and effectively. There is no time limit on reporting violations of this Policy. If the Responding Party is no longer a student or employee at the time of the report, the College may not be able to take disciplinary action against the Responding Party, but it will still seek to meet its Title IX obligation by providing support for a Reporting Party and taking steps to end the [Discrimination](#) or [Harassment](#), prevent its recurrence, and address its effects. An incident does not have to occur on campus to be reported to the College. See "Locations Covered by This Policy."

II. INITIAL ASSESSMENT

- A. Upon receipt of a report, the College will conduct an Initial Assessment. The goal of this assessment is to provide an integrated and coordinated response to reports and to determine what steps are necessary to maintain an environment free from discrimination, harassment, and related misconduct.. The assessment will first consider the nature of the report, the safety of the individual and of the campus community, the Reporting Party's expressed preference for resolution, and the necessity for any interim remedies or accommodations to protect the safety of the Reporting Party or the community.
- B. The Initial Assessment will ultimately make the determination as to whether the conduct alleged could form the basis of a violation of this policy, would be subject to another College Policy, or would not be applicable under College policies. Reasons that an Initial Assessment may lead to a determination that the conduct could not form the basis of a violation of this policy include, but are not limited to:
1. A determination that the alleged conduct could not have occurred;
 2. A determination that the impact on the Reporting Party could not have substantially interfered with their educational or work environment;
 3. A determination that the Reporting Party is not a member of a protected class covered by this policy;
 4. A determination that the College lacks jurisdiction over the Reporting Party, the Responding Party, and/or the alleged conduct;
 5. An admission by the Reporting Party that the alleged conduct did not occur;
 6. A determination that, even if the alleged conduct occurred, it could not form the basis for a finding of discrimination or harassment under this policy; or
 7. A determination by and in the discretion of the Title IX Coordinator that a full investigation would have a negative impact on the health, safety, welfare, or well-being of the Reporting Party, Responding Party, any witness, or the college community as a whole. In no event will an investigation be avoided solely due to the personal or professional interests of the parties, for purposes of delay, or to prejudice the rights of any individual.

The Title IX Coordinator will provide written approval of the determination made for each Initial Assessment. If the allegations would more appropriately be addressed through another policy,

the College will notify the reporting party in writing of the result of the Initial Assessment and provide information as to alternative College resources to appropriately address the allegation. The Title IX Coordinator retains the discretion to open separate investigations into potential patterns of behavior that may, taken together, constitute violations of this policy.

The Initial Assessment will proceed until a reasonable assessment of the safety of the Reporting Party and the campus community can be made, and the College has sufficient information to determine whether the conduct alleged by the Reporting Party could result in a violation of this policy. This may include addressing the safety and well-being of those involved; referrals to law enforcement, medical, or other external resources; notifying the parties of their rights and limitations, including the college's policy prohibiting retaliation; assessing implications under the Clery Act; and other concerns as appropriate given the facts and circumstances of each matter. When completing the Initial Assessment, the College may also determine whether any Interim Protective Measures that may be in place should be continued, modified, or concluded.

C. Interim Protective Measures

1. When a report is received, the [Title IX Coordinator](#), in consultation with the [Equal Opportunity Response Team](#) and other administrators as needed, will provide reasonable and appropriate Interim Protective Measures when necessary to protect the safety of the parties or witnesses involved. Interim Protective Measures are temporary actions taken by the College to ensure equal access to its education programs and activities and foster a stable and safe environment during the process of reporting, investigation, and/or resolution. These measures are designed, as appropriate, to restore or preserve access to education without unreasonably burdening any party and are intended to be non-disciplinary and non-punitive. As determined to be appropriate in the sole discretion of the College, Interim Protective Measures may be applied or modified at any time—for the Reporting Party, the Responding Party, and other involved individuals as appropriate to ensure their safety and well-being. Interim Protective Measures may be requested by the parties or imposed by the College at any time, regardless of whether any particular course of action is sought by the Reporting Party. Interim measures will be kept private to the extent practical.
2. Interim Protective Measures are initiated based on information gathered during a report and generally are not intended to be permanent resolutions; hence, they may be amended, withdrawn, or made permanent resulting from a remedies-based resolution or investigation. The [Title IX Coordinator \(or designee\)](#), in consultation with other administrators as needed, will maintain consistent contact with the parties so that safety, emotional, and physical well-being concerns can be reasonably addressed.
3. In the event that a Reporting Party does not wish to proceed with an investigation or disciplinary resolution, the [Title IX Coordinator](#) will determine, based on the available information, including information learned in the Initial Assessment or as part of the investigation, whether the investigation or disciplinary resolution proceedings should nonetheless be initiated or if already begun, continue. In making this determination, the College will consider, in light of the facts and circumstances of the reported matter and among other factors,

- a. The seriousness and impact of the conduct;
 - b. The respective ages and roles of the Reporting Party and Responding Party;
 - c. Whether the Reporting Party is a minor under the [age](#) of 18;
 - d. Whether the Responding Party has admitted to the conduct;
 - e. Whether the Responding Party has a pattern of similar conduct, including whether there have been other reports of [Harassment](#) or misconduct against the Responding Party;
 - f. The extent of prior remedial methods taken with the Responding Party;
 - g. The rights of the Responding Party to receive notice and relevant information before disciplinary action is sought;
 - h. If circumstances suggest there is an increased risk of the Responding Party's committing additional acts of Prohibited Conduct;
 - i. Whether the Responding Party has a history of arrests or records indicating a history of Prohibited Conduct;
 - j. Whether the Responding Party threatened further Prohibited Conduct against the Reporting Party or others;
 - k. Whether the Prohibited Conduct was committed by multiple individuals;
 - l. If the circumstances suggest there is an increased risk of future Prohibited Conduct under similar circumstances;
 - m. Whether the Prohibited Conduct was perpetrated with a weapon;
 - n. The existence of independent evidence;
 - o. Whether the College possesses other means to obtain relevant evidence (e.g., security cameras or personnel, physical evidence);
 - p. Whether the Reporting Party wants to participate in an investigation or disciplinary hearing; and
 - q. Whether the Reporting Party has requested anonymity.
4. All individuals are encouraged to report concerns about the adequacy of the Interim Protective Measures or failure of another individual to abide by any Interim Protective Measure to the [Title IX Coordinator](#). Violations of Interim Protective Measures will be addressed under this Policy, or through other applicable College policies. The [Title IX Coordinator](#) will take appropriate, responsive, and prompt action to enforce Interim Protective Measures and/or to respond to Retaliation by another party or witness. The range of Interim Protective Measures includes but is not limited to:
- a. Assistance in setting up initial appointments off campus.
 - b. Imposition of a trespass warning issued by local law enforcement, in partnership with Safety & Security and/or a college-issued "No-Contact Order."
 - c. Rescheduling of exams and assignments.
 - d. Providing alternative course completion options.
 - e. Change in class schedule, including the ability to drop a course without penalty or to transfer sections.
 - f. Change in work schedule, work location, or job assignment.
 - g. Limiting or prohibiting access to College facilities or activities pending resolution of the matter.
 - h. Leave of absence (voluntary or involuntary).

- i. Providing an escort to ensure safe movement between classes and activities.
 - j. Providing academic support services, such as tutoring.
 - k. College-imposed leave, suspension, or separation for the Responding Party.
 - l. Any other appropriate measure which can be tailored to the involved individuals to achieve the goals of this Policy.
5. Where the report of Prohibited Conduct poses a substantial and immediate threat of harm to the safety or well-being of an individual, members of the campus community, or the performance of normal College functions, the College may place a student or student organization on interim suspension or impose leave or place an employee on administrative leave. Pending resolution of the report, the individual or organization may be denied access to campus, campus facilities, and/or all other College activities or privileges for which they might otherwise be eligible, as the College determines appropriate. When interim suspension or leave is imposed, the College will make reasonable efforts to complete the investigation and resolution within an expedited time frame.

III. DETERMINATION TO PROCEED TO REMEDIES-BASED RESPONSE OR INVESTIGATION

- A. At the conclusion of the Initial Assessment, the [Title IX Coordinator](#), in coordination with the [Equal Opportunity Response Team](#) (as appropriate), will determine the appropriate manner of resolution, which may include [remedies-based resolution](#), the initiation of an investigation to determine if disciplinary action is warranted, or no further action under this policy based on the information gathered as part of the Initial Assessment. Any individual wishing to explore alternative resolution methods is encouraged to discuss these options with the [Title IX Coordinator](#), or a staff member in [Equal Opportunity & Employee Relations](#). The College will consider the interest of the Reporting Party and the Reporting Party's expressed preference for manner of resolution. Where possible and as warranted by an assessment of the facts and circumstances, the College will seek action consistent with the Reporting Party's request. Participation in remedies-based solution is voluntary, and a Reporting Party or Responding Party may request to end remedies-based resolution and initiate, and/or continue with, an investigation at any time. Requests must be made to the [Title IX Coordinator](#), who has the discretion to determine which method of resolution is appropriate.
- B. Following this assessment and determination, the College may take no further action under this policy, or may seek either a voluntary [remedies-based resolution](#) that does not involve disciplinary action against a Responding Party, or a resolution by initiating an investigation, which may result in disciplinary action against a Responding Party. The goal of the investigation is to gather all relevant facts and determine if there is sufficient information to refer the report for disciplinary action. Each resolution process is guided by the same principles of fairness and respect for all parties. All individuals who violate these standards will be held accountable for their behavior through a process that protects the rights of both the Reporting Party and the Responding Party. Resources are available for both students and employees, whether as Reporting Parties or Responding Parties, to provide support and guidance throughout the investigation and resolution of the report.

1. Remedies-Based Resolution
 - a. Remedies-based resolution is a voluntary approach designed to address a possible hostile environment without taking disciplinary action against a Responding Party. Where the Initial Assessment concludes that remedies-based resolution may be appropriate, the College will take immediate and corrective action through the imposition of individual and community remedies designed to maximize the Reporting Party's access to educational, extracurricular, and employment activities at the College and to address a possible hostile environment without requiring a finding of or admission of responsibility on the part of the Responding Party. Other potential remedies include targeted or broad-based educational programming or training, supported direct confrontation of the Responding Party and/or indirect action by the Title IX Coordinator or the College. Depending on the form of remedies-based resolution used, it may be possible for a Reporting Party to maintain anonymity from the Responding Party.
 - b. The College may offer mediation for appropriate cases, but will not compel a Reporting Party to engage in mediation, to directly confront the Responding Party, or to participate in any particular form of remedies-based resolution. Mediation, even if voluntary, may not be used in cases involving Sexual Assault, interpersonal violence, and/or stalking. The decision to pursue remedies-based resolution will be made when the College has sufficient information about the nature and scope of the conduct, which may occur at any time.
 - c. The Title IX Coordinator will maintain records of all reports and conduct referred for remedies-based resolution, which will typically be completed within thirty (30) business days of the initial report.
2. Investigation
 - a. Where the Initial Assessment concludes that reported conduct may have violated this Policy, that disciplinary action may be appropriate, and the conduct is not being addressed through a remedies based resolution the College will initiate an investigation. The College will designate an investigator(s) who has specific training and experience investigating allegations of the type presented, including when appropriate, sexual and gender-based Harassment, Sexual Assault, Stalking, and Interpersonal Violence. The investigator(s) may be an employee of the College or an external investigator engaged to assist the College in its fact-gathering. Any investigator(s) chosen to conduct the investigation must be impartial and free of any actual conflict of interest. The College may use a team of two or more investigators, when appropriate.
 - b. It is the responsibility of the College, not of the parties, to gather relevant information, to the extent reasonably possible. The investigator(s) will conduct the investigation in a manner appropriate in light of the circumstances of the case. The investigator(s) will coordinate the gathering of information from the Reporting Party, the Responding Party, and any other individuals who may have information relevant to the determination. The investigator(s) will also gather any available physical evidence, including documents, communications between the parties, and other electronic records as appropriate. The

Reporting Party and Responding Party will have an equal opportunity to be heard, to submit information, and to identify witnesses who may have relevant information. Witnesses must have observed the acts in question or have information relevant to the incident and cannot participate solely to speak about an individual's character.

- c. Medical and counseling records of a Reporting or Responding Party are privileged confidential records that individuals are not required to disclose. However, these records may contain information that a party may voluntarily choose to share with the investigator(s). Any records provided by a party become part of the file and are available for review by the opposing party.
- d. In gathering the facts, the investigator(s) may consider other allegations of, or findings of responsibility for, similar conduct by the Responding Party to the extent such information is relevant and available. Such information may prove to be relevant.
- e. In cases of [Sexual Assault](#), Sexual Violence, [Sexual Exploitation](#), [Interpersonal Violence](#), or [Stalking](#), a Reporting Party's prior sexual history is generally not relevant and will not be considered as evidence during an investigation. Where there is a current or ongoing relationship between the Reporting Party and the Responding Party, and the Responding Party alleges [consent](#), the prior sexual history between the parties may be relevant to assess the manner and nature of communications between the parties. However, the mere fact of a current or previous dating or sexual relationship, by itself, is not sufficient to constitute [consent](#). Any prior sexual history of the Reporting Party with other individuals is typically not relevant and will be considered only under very limited circumstances (e.g., to explain an injury or physical finding or other material fact).
- f. In instances of allegations of [Interpersonal Violence](#), whether there was a relationship (including romantic or intimate relationship with the Reporting Party [of the same or different sex or gender]; the Reporting Party's spouse or partner [of the same or different sex or gender]; the Reporting Party's family member; or the Reporting Party's cohabitant or household member [including a roommate]) will be gauged by the length, type, and frequency of interaction between the parties. Reports of violence between individuals that do not involve one of these specified relationships or do not involve an individual's [Protected Status](#) will be resolved for students under the Student Code of Conduct and for employees under other appropriate policies and procedures.
- g. The investigation is designed to provide a fair and reliable gathering of the facts. The investigation will be thorough, impartial, and fair, and all individuals will be treated with appropriate sensitivity and respect. The investigation will be conducted in a manner that is respectful of individual [privacy](#) concerns. A Reporting Party or Responding Party may have an [Advisor](#) accompany them to any meeting they attend related to the investigation of Prohibited Conduct in accordance with this Policy and procedures.
- h. The College will seek to complete the fact-gathering in an investigation within twenty (20) College business days of receiving the report of alleged violation, but this time frame may be extended for good cause. At the request of law enforcement, the College

may agree to defer its Title IX fact-gathering until after the initial stages of a criminal investigation. The College will nevertheless communicate with the Reporting Party regarding Title IX rights, procedural options, and the implementation of interim measures to ensure the safety and well-being of all affected individuals. The College will promptly resume its Title IX fact-gathering as soon as law enforcement has released the case for review following the initial criminal investigation. The investigator(s) or designee will provide timely updates, as appropriate or requested, about the timing and status of the investigation.

- i. Information gathered during the review or investigation will be used to evaluate the responsibility of the Responding Party, provide for the safety of the Reporting Party and the College campus community, and take appropriate measures designed to end the misconduct, prevent its recurrence, and address its effects.

C. How the College intends to proceed, i.e. remedies-based resolution or investigation, will be communicated to the Reporting Party in writing. Depending on the circumstances and requested resolution, the Responding Party may or may not be notified of the report or resolution. A Responding Party will be notified when the College seeks action that would impact a Responding Party, such as [Interim Protective Measures](#) that restrict the Responding Party's movement on campus, the initiation of an investigation, or the request to involve the Responding Party in a voluntary, [remedies-based resolution](#).

IV. REVIEW OF INVESTIGATION REPORT

At the conclusion of the investigation, the investigator(s) will prepare a written investigation report that summarizes the information gathered and synthesizes the contested and uncontested issues of fact and any supporting information or accounts. In preparing the investigation report, the investigator(s) will review all facts gathered to determine whether the information is relevant and material to the determination of responsibility given the nature of the allegation.

A. Resolution of Investigation Reports for Cases of [Discrimination](#), [Harassment](#) or Retaliation (Excluding Sexual or [Gender-Based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#))

1. Before the investigator's report is finalized, the Reporting Party and Responding Party will be given the opportunity to review all information that will be used in adjudication of the matter. This includes any relevant information gathered including but not limited to documents and written statements of the parties or witnesses. The Reporting Party and Responding Party may submit any additional comment or information, including identifying any additional witnesses, to the investigation team within five (5) College business days of the opportunity to review the relevant portions of the report. Upon receipt of any additional information by the Reporting Party or Responding Party, or after the five (5) College business day comment period has lapsed without comment, the investigator(s) will make a finding as to whether there is sufficient information alleged to suggest that a policy violation occurred.

2. In cases of [Discrimination](#), [Harassment](#), or [Retaliation](#) (excluding Sexual or [Gender-](#)

Based Harassment, Sexual Assault, Sexual Exploitation, Interpersonal Violence, and/or Stalking), after consultation with the Title IX Coordinator, the investigator(s) will submit the final report to the Vice President, Organizational Development and Human Resources (or designee) if the Responding Party is an employee; or to the Vice President of Student Affairs (or designee) if the Responding Party is a student, who will review the investigation report and determine whether or not to accept the findings of the investigator(s).

Upon receipt and review of the investigation report, the Vice President, Organizational Development and Human Resources (or designee), or Vice President, Student Affairs (or designee) may request the investigator(s) conduct additional fact-gathering and/or possible further investigation. In addition to accepting the findings of the investigator(s), the Vice President may reject the report in whole or may suspend a decision pending further review by the investigator for purposes of additional fact gathering or clarification.

A letter summarizing the decision by the Vice President, Organizational Development and Human Resources (or designee) or Vice President of Student Affairs (or designee) and the investigation report, will then be issued to the Reporting Party, the Responding Party, and, to the Vice President/Campus President and immediate supervisor (in cases when the responding party is an employee) for further consideration of disciplinary action after any appeal process has concluded. The decision letter will identify an Appeals Officer. A finding of responsibility for a violation of this policy may be appealed by the Responding Party to the designated Appeals Officer. The Appeals Officer is typically a vice president or senior level administrator.

2. The appeal shall consist of a plain, concise, and complete written statement outlining the grounds for the appeal. The limited grounds for appeal are as follows:
 - a. New information that could affect the finding by the investigator(s) and that was not reasonably available through the exercise of due diligence at the time of the investigation; and/or
 - b. Material deviation(s) from written procedures that significantly affected the outcome

Mere dissatisfaction or disagreement with the finding of responsibility is not a valid basis for appeal.

3. The issues raised on appeal shall be limited to those issues raised during the investigation. Any issues not raised during the investigation or new issues that could have been raised, but were not, shall be precluded on appeal. To secure an appeal, the Responding Party must file a written request to have the finding reviewed with the designated Appeals Officer no later than five (5) College business days from the date on which the party receives a copy of the final report.
4. Upon acceptance of an appeal, the Appeals Officer shall notify the Reporting and Responding Parties, the Vice President for Organizational Development and Human Resources (or designee) or the Vice President for Student Affairs (or

designee), the [Title IX Coordinator](#), and those individuals who received a copy of the final investigation report.

5. The Appeals Officer shall consider the facts in support of the request and seek clarification of facts as deemed necessary. The Appeals Officer may request further investigation or that the investigator(s) address particular issues. If the Appeals Officer receives new information (not reasonably available through the exercise of due diligence at the time of the investigation) pursuant to the Appeals Officer's efforts to clarify facts, that the Appeals Officer believes may change the outcome, the Appeals Officer shall ask the Vice President, Organizational Development and Human Resources (or designee), or Vice President, Student Affairs (or designee), to reconsider their acceptance or rejection of the findings in light of the new information. The Vice President, Organizational Development and Human Resources (or designee), or Vice President, Student Affairs (or designee) shall inform the Appeals Officer of the reconsidered finding. The Appeals Officer shall apprise the Reporting and Responding Parties of the new information and the reconsidered finding so that each has an opportunity to review and refute any such additional information before the Appeals Officer renders a final decision.
6. The Appeals Officer shall communicate the results of the appeal to the Reporting Party and Responding Party within fifteen (15) College business days from the date of submission of all appeal documents by both parties. The Appeals Officer's written decision shall be provided to the Reporting and Responding Parties, the Vice President for Organizational Development and Human Resources or Vice President for Student Affairs the [Title IX Coordinator](#), and those individuals who received a copy of the original investigation report. The Appeals Officer may accept or reject, the findings of the Vice President in whole or in part. The decision on whether or not the alleged conduct actually occurred and constituted a violation of this policy made by the Appeals Officer shall be final.
7. An investigation shall be considered complete and the investigation shall be closed after the period has passed within which the Responding Party may submit an appeal, if none has been submitted, or following a final decision by the Appeals Officer, if the Responding Party has requested an appeal. A matter also may be closed administratively when the Vice President for Organizational Development and Human Resources, Vice President for Student Affairs, and/or the Title IX Coordinator decides that further investigation is either impossible or unnecessary.
8. Circumstances may arise that require the extension of time frames for good cause, including extension beyond fifteen (15) College business days. Such circumstances may include the complexity of the allegations, the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation, any intervening College break or planned leave (vacation/sick/personal) of involved parties, or other unforeseen circumstances.

9. An employee who is found responsible for violating this policy will then be referred to his/her immediate supervisor and/or his/her respective Vice President/Campus President for possible disciplinary action under applicable College policies.
10. A student who is found responsible for violating this policy will then be referred to a Dean of Students for possible disciplinary action under the Student Code of Conduct.

B. Resolution of Investigation Reports in Cases of Sexual or [Gender-Based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#)

Before the investigator's report is finalized, the Reporting Party and Responding Party will be given the opportunity to review all information that will be used in adjudication of the matter. This includes any relevant information gathered including but not limited to documents and written statements of the parties or witnesses. The Reporting Party and Responding Party may submit any additional comment or information, including identifying any additional witnesses, to the investigator(s) within five (5) College business days of the opportunity to review the relevant portions of the report. Upon receipt of any additional information by the Reporting Party or Responding Party, or after the five College business (5) day comment period has lapsed without comment, the investigator(s) will make a finding as to whether there is sufficient information alleged to suggest that a policy violation may have occurred (that is, that the policy elements have been raised, and there are sufficient facts alleged that the Vice President for Organizational Development and Human Resources [for cases where the Responding Party is an employee] or Vice President for Student Affairs [for cases where the Responding Party is a student] could find a policy violation if established by a preponderance of the evidence).

1. Determination not to proceed in cases of sexual or [gender-based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#)

If the investigator(s), in consultation with the Title IX Coordinator, determines that there is insufficient information alleged to suggest that a policy violation may have occurred, the Reporting Party and Responding Party will be notified in writing. The Reporting Party will have the opportunity to seek review by an Appeals Officer by submitting a written request for review to the [Title IX Coordinator](#) within five (5) College business days of the date of such notice. The Appeals Officer is typically a vice president or senior level administrator. The Responding Party will be notified if an appeal has been submitted. The Appeals Officer shall consider the facts in support of the request and seek clarification of facts as deemed necessary. The Appeals Officer may request that the investigator(s) conduct an additional investigation or address particular issues. If the Appeals Officer receives new information (not reasonably available through the exercise of due diligence at the time of the investigation) pursuant to their efforts to clarify facts, that they believe may change the outcome, the Appeals Officer shall ask the investigator(s) to reconsider the findings in light of the new information, The Appeals Officer will render a decision in writing, to both parties, within fifteen (15) College

business days of receipt of the request for review. The decision of the Appeals Officer is final.

2. Determination to proceed in cases of sexual or [gender-based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#)

If the investigator, in consultation with the Title IX Coordinator, determines that there is sufficient information alleged to suggest that a policy violation may have occurred, the [Title IX Coordinator](#) (or designee) will issue a Notice of Alleged Violation to the Responding Party, with a copy to the Reporting Party, and refer the report and Notice of Alleged Violation to the Vice President for Organizational Development and Human Resources (for cases where the Reporting Party is an employee) or Vice President of Student Affairs (or designee) for cases where the Reporting Party is a student. For a report of Prohibited Conduct against a student employee who is acting within the scope of their employment at the time of the incident, the College may forward the case for review to either the Vice President for Organizational Development and Human Resources or to the Vice President for Student Affairs (or designee). As outlined in greater detail below, the appropriate Vice President (or designee) will make a finding, by a preponderance of the evidence, as to whether or not the Responding Party is responsible for conduct in violation of this Policy.

- a. Finding of Responsibility in cases of sexual or [gender-based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#)
 - i. In reaching determinations of responsibility, the appropriate Vice President (or designee) will consult with the Reporting Party, the Responding Party, the [Title IX Coordinator](#) and other affected parties, as appropriate, to ensure a full assessment of the relevant facts and impacts. In cases of sexual or [gender-based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#) the Vice President (or designee) will offer separate, in-person meetings with the Reporting Party and the Responding Party. If a Reporting Party or Responding Party meets with the Vice President (or designee) they may be accompanied by an [Advisor](#). At any time, the Responding Party may choose to agree to a finding of responsibility to some or all of the reported conduct. After a consideration of all of the relevant information, the Vice President (or designee) will make a finding by a preponderance of the evidence as to whether the Responding Party is responsible for engaging in Prohibited Conduct.
 - ii. The Vice President (or designee) will provide a copy of their decision of responsibility in addition to the final investigation report to the Responding Party, the Reporting Party and to the Title IX Coordinator. The decision letter will also identify an Appeals Officer, who is typically a Vice President or senior level administrator.
 - iii. A finding of responsibility by the Vice President (or designee) may be appealed by the Responding Party to the designated Appeals Officer.

The appeal shall consist of a plain, concise, and complete written statement outlining the grounds for the appeal.

The limited grounds for appeal are as follows:

- a. New information that could affect the finding of the Disciplinary Resolution Officer and that was not reasonably available through the exercise of due diligence at the time of the investigation; and/or
- b. Material deviation(s) from written procedures that significantly affected the outcome.

Mere dissatisfaction or disagreement with the finding of cause is not a valid basis for appeal.

- iv. The issues raised on appeal shall be limited to those issues raised during the investigation. Any issues not raised during the investigation or new issues that could have been raised, but were not, shall be precluded on appeal. To secure an appeal, the Responding Party must file a written request to the Title IX Coordinator to no later than five (5) College business days from the date on which the party receives a copy of the final report.
- v. Upon acceptance of an appeal, the Appeals Officer shall notify the Reporting Party, the Vice President for Organizational Development and Human Resources (or designee) or the Vice President for Student Affairs (or designee), the [Title IX Coordinator](#), and those individuals who received a copy of the final investigation report.
- vi. The Appeals Officer shall consider the facts in support of the request and seek clarification of facts as deemed necessary. The Appeals Officer may request further investigation or that the investigator(s) address particular issues. If the Appeals Officer receives new information (not reasonably available through the exercise of due diligence at the time of the investigation) pursuant to their efforts to clarify facts, that they believes may change the outcome, the Appeals Officer shall ask the Vice President, Organizational Development and Human Resources (or designee), or Vice President, Student Affairs, to reconsider the findings in light of the new information. The Vice President, Organizational Development and Human Resources (or designee), or Vice President, Student Affairs (or designee) will initiate further investigation as needed, and shall inform the Appeals Officer of any adjustments made to the finding letter and/or final report.. The Appeals Officer shall apprise the Reporting and Responding Parties of the new information and a reconsidered finding so that each has an opportunity to review and refute any such additional information before the Appeals Officer renders a final decision.
- vii. The Appeals Officer shall communicate the results of the appeal to the Reporting Party and Responding Party within fifteen (15) College business days from the date of submission of all appeal documents by both parties.

The Appeals Officer's written decision shall be provided to the Reporting and Responding Parties, the Vice President for Organizational Development and Human Resources or Vice President for Student Affairs the [Title IX Coordinator](#), and those individuals who received a copy of the original investigation report. The Appeals Officer may accept or reject, whole or in part the findings of the Vice President in whole or in part. The decision on whether or not the alleged conduct actually occurred and constituted a violation of this policy made by the Appeals Officer shall be final.

- viii. An investigation shall be considered complete and the investigation shall be closed after the period has passed within which the Responding Party may submit an appeal, if none has been submitted, or following a final decision by the Appeals Officer, if the Responding Party has requested an appeal. A matter also may be closed administratively when the Vice President for Organizational Development and Human Resources, Vice President for Student Affairs, and/or the Title IX Coordinator decides that further investigation is either impossible or unnecessary.
 - ix. Circumstances may arise that require the extension of time frames for good cause, including extension beyond fifteen (15) College business days. Such circumstances may include the complexity of the allegations, the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation, any intervening College break or planned leave (vacation/sick/personal) of involved parties, or other unforeseen circumstances.
 - x. An employee who is found responsible for violating this policy will then be referred to their immediate supervisor and/or their respective Vice President/Campus President for possible disciplinary action under applicable College policies.
 - xi. A student who is found responsible for violating this policy will then be referred to a Dean of Students for possible disciplinary action under the Student Code of Conduct.
- b. Referral for Sanction in cases of sexual or [gender-based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#) when the Responding Party is an employee
- i. In cases where an employee has been found responsible for sexual or gender-based Harassment, Sexual Assault, Sexual Exploitation, Interpersonal Violence, and/or Stalking and an appeal was not submitted or the appeal process supported the finding of responsibility, the investigation report is then forwarded to the immediate supervisor and the respective Vice President/Campus President who, together with the Vice President Organizational Development and Human

Resources and/or Title IX Coordinator, will consider the appropriate sanction designed to address the misconduct, prevent its recurrence, and remedy its effect, while supporting the College's educational mission and Title IX obligations. Sanctions or interventions may also serve to promote safety or deter individuals from future behavior.

ii. For employees, the sanction may include any form of responsive action or discipline as set forth in College Policies and Procedures, including but not limited to training, referral to counseling, and/or disciplinary action, such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay, or termination.

Generally, for College faculty and staff, a recommendation of termination or other disciplinary action may implicate other applicable Policies and Procedures, including Policy: 6Hx28:3F-03, Suspension, Dismissal Return to Annual Contract, or Non-Renewal of Contracts; Policy: 6Hx28:3E-09, Employee Dispute Resolution; and Policy: 6Hx28:3E-08, Disciplinary Action. Under these circumstances, additional steps may occur or be available as set forth in those Policies and procedures. The College will support Reporting Parties, to the extent permitted by law, in being present and heard as witnesses in any subsequent hearing/appeal process conducted at the request of Responding Parties in response to such recommendations of disciplinary action.

c. Referral for Sanction in cases of sexual or [gender-based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Interpersonal Violence](#), and/or [Stalking](#) when the Responding Party is a student

i. If the Responding Party is a student and is found responsible, the Disciplinary Resolution Officer will then initiate sanctions through the Student Code of Conduct (College Policy 6Hx28:8-03).

ii. For students, the sanction may include removal from specific courses or activities, suspension from the College, or expulsion. A full list of the range of sanctions for students is contained in the Student Code of Conduct.

V. TIME FRAMES FOR RESOLUTION

A. The College will make every effort to successfully resolve all reports within sixty (60) College business days. All time frames expressed in this Policy are meant to be guidelines rather than rigid requirements. Circumstances may arise that require the extension of time frames for good cause, including extension beyond sixty (60) College business days. Such circumstances may include the complexity of the allegations, the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation, any intervening College break or planned leave (vacation/sick/personal) of involved parties, or other unforeseen circumstances.

- B. In general, a Reporting Party and Responding Party can expect that the process will proceed according to the time frames provided in this Policy. In the event that the investigation and resolution time frames are extended for good cause, the College will notify all parties of the reason for the delay and the expected adjustment in time frames. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness. All parties involved are entitled to periodic status updates on the process and any subsequent appeals.

VI. OBLIGATION TO PRESENT TRUTHFUL INFORMATION

The College takes the validity of information seriously because a report of [Discrimination](#), [Harassment](#), Sexual and [Gender-Based Harassment](#), [Sexual Assault](#), [Sexual Exploitation](#), [Stalking](#), [Interpersonal Violence](#), [Complicity](#), and/or Retaliation may have severe consequences. Any individual who makes a report or provides information as part of an investigation or hearing process that is later found to have been intentionally false or made maliciously without regard for truth may be subject to disciplinary action and may also violate state criminal statutes and civil defamation laws. These provisions do not apply to reports or responses made in good faith, even if the facts alleged in the report or the response are not substantiated by an investigation.

VII. RETALIATION

- A. During the investigation and resolution of violations of this Policy that are alleged in good faith, reasonable steps will be taken to protect the Reporting Party, the Responding Party, and other participants in the reporting, investigation, and resolution process from Retaliation.
- B. Retaliation is a violation of College Policy. Any individual who engages in Retaliation will be subject to prompt and appropriate disciplinary action. Individuals who have a concern about potential or actual Retaliation should contact the [Title IX Coordinator](#) or a Deputy [Title IX Coordinator](#) for assistance in addressing the concern. If the concern about Retaliation involves the [Title IX Coordinator](#), an individual may contact the Director of Compliance and Audit at InternalAudit@valenciacollege.edu or by telephone at 407-582-3253.

VIII. ADVISORS AND ATTORNEYS

- A. At any point during the processes listed above, the Reporting Party and Responding Party have the right to be assisted by an [Advisor](#) of their choice, which may include an attorney, however, an attorney may not represent their client as part of this process. Under no circumstances may an [Advisor](#) be a witness. The [Advisor](#) may accompany the Reporting Party or Responding Party to any meeting with an investigator or a College employee. Persons who serves as [Advisors](#) should plan to make themselves available for meetings throughout the process. The [Advisor](#) is a silent and non-participating presence who solely observes and provides support during the investigation process. During proceedings, the [Advisor](#) may speak only to the party by whom they were invited. Any exceptions to this prohibition will be at the sole discretion of the Title IX Coordinator (or designee). The [Title IX Coordinator](#) has the right at all times to determine what

constitutes appropriate behavior on the part of an [Advisor](#).

- B. Any party may seek the assistance of an attorney at their own expense. This process is not a legal proceeding and should not be regarded as such. Similarly, the College will not recognize or enforce agreements between the parties reached outside of these procedures.

IX. COMMUNICATION

College-issued email is the primary means of communication used by the College. The [Title IX Coordinator](#), investigator, and/or designee will deliver notice to students and/or employees by College-issued email, and may concurrently send a duplicate by means of mail, courier service, or in person delivery to the permanent address in the College's official records.

X. RECORDS

The [Title IX Coordinator](#) will retain records of all reports, regardless of whether the matter is resolved by means of Initial Assessment, [remedies-based resolution](#) or disciplinary resolution.

XI. RELEASE OF INFORMATION

- A. If a report of Prohibited Conduct discloses a serious and continuing threat to the campus community, Valencia College Security will issue a timely notification to protect the health or safety of the community as required by the Clery Act. The notification will not include identifying information about a Reporting Party.
- B. Pursuant to the Clery Act and Section 304 of the Violence Against Women Reauthorization Act of 2013, information regarding criminal incidents reported to Campus Security authorities must be shared with Valencia College Security for inclusion in the Daily Crime Log. This information will also be included in the College's Annual Security Report (<http://valenciacollege.edu/security/annual-security-report.cfm>)
- C. The College may also share aggregate and not personally identifiable data about reports, outcomes, and sanctions.
- D. All College proceedings are conducted in accordance with the requirements of Title IX, the Clery Act, the Violence Against Women Act, FERPA, state and local laws, and College Policy. No information, including the identity of the parties, will be released from such proceedings except as required or permitted by law or College Policy/procedure.

External Confidential Resources will not share information about an individual (including whether that individual has received services) with anyone, including the College, without the individual's express written permission, unless there is a continuing threat of serious violence to the patient/client or to others or there is a legal obligation to reveal such information (e.g., suspected abuse or neglect of a minor).
Consent	<p>Consent is the communication of an affirmative, conscious, and freely made decision by each participant to engage in agreed upon forms of sexual contact. Consent requires an outward demonstration, through understandable words or actions, which conveys a clear willingness to engage in sexual contact.</p> <ul style="list-style-type: none"> • Consent cannot to be inferred from silence, passivity, or a lack of resistance, and relying on non-verbal communication alone may result in a violation of this Policy. For example, a person who does not physically resist or verbally refuse sexual contact may not necessarily be giving Consent. There is no requirement that an individual verbally or physically resist unwelcome sexual contact for there to be a violation of this Policy. • Consent cannot to be inferred from an existing or previous dating or sexual relationship. Even in the context of a relationship, there must be mutual Consent to engage in sexual contact for each occasion and each form of sexual contact. • Consent to one form of sexual contact does not constitute Consent to any other form of sexual contact, nor does Consent to sexual contact with one person constitute Consent to sexual contact with any other person. Additionally, Consent to sexual contact on one occasion is not Consent to engage in sexual contact on another occasion.

	<ul style="list-style-type: none"> • Consent cannot be obtained by Coercion or Force or by taking advantage of a person’s inability to give Consent because of Incapacitation or other circumstances. • A person who has given Consent to engage in sexual contact may withdraw Consent at any time. However, withdrawal of Consent requires an outward demonstration, through understandable words or actions that clearly conveys that a party is no longer willing to engage in sexual contact. Once Consent is withdrawn, the sexual contact must cease immediately. • Note that generally in Florida, consent cannot legally be given by a minor under the age of 18, with certain specified statutory exceptions.
