

Florida Tech/Valencia College Presidential Transfer Scholarship

VALENCIA COLLEGE

Each year, Florida Tech and Valencia College make 15 **Presidential Transfer Scholarships** available to exceptional students who are graduating from Valencia College and wish to continue their undergraduate studies at Florida Tech's Melbourne campus.

The **Presidential Transfer Scholarship** is awarded annually for students entering in the fall semester only. It is renewable after the satisfactory completion of full time enrollment and submission of an updated FAFSA. The scholarship may vary in dollar amount, but the recipient is guaranteed to receive a combination of grants and scholarships equal to the full cost of tuition.

Applicants Must

- Be currently enrolled at Valencia College at the time of application to Florida Tech.
- Have a cumulative grade point average greater than or equal to 3.5 for all college work.
- Be admitted to Florida Tech and file a FAFSA with the university (code: 001469) **no later than April 15**.
- Graduate with an A.A. degree by the end of spring term prior to fall enrollment (students who complete the A.A. degree in December of the previous year may also be considered).

Scholarship recipients are chosen by a committee including the Valencia College president's designee and Florida Tech's directors of financial aid and transfer enrollment. Scholarship recipients will be selected based on academic qualifications and merit related to their intended major at Florida Tech. All eligible applicants will receive fair consideration. All committee decisions are final.

Recipients must enroll as a full-time undergraduate at Florida Tech's Melbourne campus before the scholarship takes effect.

The Florida Tech Office of Admissions will notify scholarship recipients on or around April 30.
