Term 201410 (Fall 2013)

As part of its learning-centered orientation, Valencia College creates for its public school district partners this report addressing selected performance elements of current dual-enrolled students, previous year high school graduates, former Career Pathways (Tech Prep) students, and high school alumni who have also graduated from Valencia. This report provides information on public high school graduates in Orange and Osceola counties.

Dual-Enrolled Students

Dual-enrolled students are those who have not graduated from high school, have been accepted into the Dual-Enrollment program, and who are simultaneously receiving college and high school credit. Dual-enrolled students may be members of a class taught in a high school in the service district or may be enrolled in a course on a Valencia campus with the approval of the Dual-Enrollment Office. Dual-enrolled students are either shown as FTAV (First-Time-at-Valencia) or Continuing Dual-Enrolled, signifying that the student is still enrolled in high school, but has completed a dual-enrolled course in a previous semester.

Remediation Report (Mandate Rates)

When previous year high school graduates apply for admission as degree-seekers, they take Florida's Postsecondary Education Readiness Test (P.E.R.T.) required by the State of Florida, or they present an ACT or SAT score. These test scores place the student into either developmental education or college-level courses in English, reading, or mathematics. The developmental education course may be at the first or second level; generally, the first level is for up to ninth grade work, while the second level is for tenth- to twelfth-grade work. Remediation rates are computed for previous year high school graduates (PYHSGs) who are first-time-in-college degree seekers. Placement levels for previous year high school graduates from Orange County schools are shown below.

College-Ready Students (No Mandates)

One measure of college readiness is when the student is exempt from taking developmental education courses by virtue of scoring above certain scores on the ACT, the SAT, or Postsecondary Education Readiness Test (P.E.R.T.). The number of students scoring above the cut scores for English, reading, and mathematics is shown below. The following table counts all previous year high school graduates (PYHSGs) enrolled in Term 201410 (Fall 2013) regardless of whether the fall term was their first term of enrollment.
