RE: VALENCIA COLLEGE FOUNDATION ANNUAL AUDIT REVIEW /

AFFIRMATION OF CERTIFICATION OF VALENCIA COLLEGE FOUNDATION

In accordance with Section 1004.70(6), F.S., each direct-support organization (college foundation) must conduct an annual financial audit which must be submitted to the District Board of Trustees for review. This year, the independent auditor's report was prepared by Berman Hopkins, LLP, which audited the Foundation's financial statements. In its audit report, the independent auditor rendered an unmodified opinion concluding that the financial statements of the Foundation for the fiscal year ending March 31, 2023, are presented fairly in all material aspects in accordance with generally accepted accounting principles (GAAP).

In accordance with Section 1004.70(5), F.S., each direct-support organization (college foundation) is required to submit for review to its respective District Board of Trustees its Federal Internal Revenue Service (IRS) Application for Recognition of Exemption Form (Form 1023) and its Federal IRS Return of Organization Exempt from Income Tax Form (Form 990). The documents noted are included in the Board materials for review, discussion, and acceptance by the District Board of Trustees.

Finally, in accordance with Section 1004.70(1)(a)(3), F.S., after review, the District Board of Trustees must certify the Foundation to be operating in a manner consistent with the goals of Valencia College and in the best interest of the state.

RECOMMENDED ACTION:

The President recommends that the District Board of Trustees of Valencia College accept the Valencia Foundation's Internal Revenue Service Application for Recognition of Exemption (Form 1023), Internal Revenue Service Return of Organization Exempt form 990, and the Audit report as presented and reviewed. In addition, the President recommends that the District Board of Trustees of Valencia College certify that the Foundation is operating in a manner consistent with the goals of Valencia College and in the best interest of the state.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Valencia College Foundation, Inc. Orlando, Florida

Opinion

We have audited the accompanying financial statements of Valencia College Foundation, Inc. (the "Foundation") (a nonprofit organization), which comprise the statements of financial position as of March 31, 2023 and 2022 and the related statements of activities, statements of functional expenses and statements of cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of March 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Foundation's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The Overview and Analysis of the Foundation's Finances has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 28, 2023 on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Foundation's internal control over financial reporting and compliance.

The accompanying notes are an integral part of these financial statements.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

1. Nature of activities

Valencia College Foundation, Inc. (the "Foundation" or "Organization") was established in 1974 to serve as a direct-support organization for Valencia College ("Valencia" or "College"), as provided in Section 1004.70 of the Florida Statues. The Foundation is included as a discretely presented component unit in the Valencia College financial statements.

The Foundation's principal function is to receive, hold, invest, and administer charitable contributions for Valencia College.

2. Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Assets are presented in the accompanying statements of financial position according to their nearness of conversion to cash and liabilities according to their nearness of their maturity and resulting use of cash.

3. Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of related contingent items at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4. Cash and cash equivalents

For purposes of the statements of cash flows, the Foundation considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

5. Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the dividend date. The investment expenses are netted against interests and dividends without donor restrictions in the accompanying statements of activities.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

6. Pledges receivable, net

Pledges receivable are unconditional promises to give and are recorded when the promises to contribute are made. Unconditional promises to give that are expected to be collected within one year are recorded at net realize value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, which is measured as the present value of future cash flows. The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are made. Amortization of discounts is included in contribution revenue. The Foundation provides an allowance for uncollectible pledges based on the historical ratio of write-offs.

7. Florida prepaid tuition scholarships

These scholarships are valued using the actuarial present value of the future contract benefits and expenses obligation. This valuation method reflects the present value of estimated contract benefits and expenses that will be paid in future years and is adjusted for the effects of projected tuition and fees and dormitory housing fees increases and termination of contracts. Florida prepaid tuition scholarships are part of the State of Florida Take Stock in Children program and consist of scholarships contributed to or purchased by the Foundation, and include scholarships matched by the State of Florida. The funds are to be used for college scholarships for selected individuals graduating from high school in Orange County. As the scholarships are awarded, they are recorded as scholarships program expense on the accompanying statements of functional expenses.

8. Impairment of long-lived assets

Long-lived assets to be held and used are tested for recoverability whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the excess of the asset's carrying amount over the fair value of the asset. As of March 31, 2023 and 2022, management has determined that no impairment exists.

9. Rental property, net

Rental property includes land, buildings, and improvements, and is stated at cost when purchased. Depreciation of building and improvements is calculated using the straight-line method over its estimated useful life of 40 years.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

9. Rental property, net (continued)

The cost of additions or improvements which substantially extend the useful life of the buildings are capitalized. Repair and maintenance costs are charged to expense. Upon sale or other disposition, the cost and related accumulated depreciation are removed from the accounts and any gain or loss is recognized. All of the Foundation's capital assets are, or planned to be, leased to the College.

10. Rent revenue and deferred revenue

Rent revenue is recognized on the straight-line basis over the terms of the respective leases. Rental payments received in advance are recorded as deferred revenue. Deferred revenue also includes the exchange portion of special event revenue that is received for special events that will take place in subsequent fiscal years.

11. Trust liability

Trust liability represents an interest in a charitable gift annuity, which requires that payments be made to the donors until deceased, at which time the remaining principal and income will become available for use by the Foundation. On an annual basis, the Foundation reviews the need to revalue the liability to make distributions to the designated beneficiary based on actuarial assumptions. The present value of the estimated future payments is calculated using a discount rate of 8% and applicable mortality tables.

12. Contributions and donor-imposed restrictions

The Foundation recognizes contributions and state support revenue when cash, securities, or other assets, or an unconditional promise to give, is received. Conditional promises to give, that is those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Unconditional promises to give due beyond one year are reported at the present value of their net realizable value, using risk-free rates applicable to the years in which the promises are to be received. The Foundation did not have any conditional promises to give as of March 31, 2023 and 2022.

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as donor-restricted support that increases the net asset class.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

12. Contributions and donor-imposed restrictions (continued)

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statements of activities as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Foundation reports the support as net assets without donor restrictions.

Special event revenues are considered contributions with the exception of the exchange portion (if any), which is recognized as revenue when the event takes place.

13. In-kind contributions

Contributions of donated assets and services are recorded at their estimated fair value at the date of receipt and are reflected as in-kind contributions in the accompanying statements (see Note F). Contributions of services are recognized only if such services create or enhance nonfinancial assets, would have been purchased if not provided by donation, and require specialized skills provided by individuals possessing such specialized skills. All donated services received by the Foundation for the years ended March 31, 2022 and 2023 were considered without donor restrictions and able to be used by the Foundation as determined by the board of directors and management.

14. Display of net assets by class

Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein, are classified and reported as follows:

i. Net assets without donor restrictions

Net assets without donor restrictions represents funds that are available without restriction for carrying out the Foundation's objectives.

ii. Net assets with donor restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions. When a restriction expires, donor-restricted net assets are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities as net assets released from restrictions. Amounts received that are to be maintained by the Foundation in perpetuity are reported as contributions with donor restrictions.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

15. Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying statements of activities and functional expenses. Salaries and related payroll expenses are allocated among functional categories based on the estimated proportion of time spent relative to each function. Depreciation, payroll taxes, and property taxes and insurance are allocated based upon the ratio of employees per function. All other expenses are identified as benefiting a specific program or function and are classified accordingly.

16. Summary of programs and services

The following program and supporting services are included in the accompanying financial statements:

Program services - Scholarship and academic support programs are utilized by the Foundation to provide support and scholarships for students attending Valencia.

General and Administration - Administers the functions necessary for operating the program and mission not directly charged to programs, ensure adequate working environments for the programs, manage the financial responsibilities, and provide coordination and articulation of mission and core values.

Fundraising - Provides the structure necessary to encourage and secure private financial support from individuals, foundations and corporations.

17. Income taxes

The Foundation is exempt from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code and is classified as an other-than-private foundation within the meaning of Section 509(a) of the Internal Revenue Code and from state income taxes under similar provisions of the Florida Income Tax Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

The Foundation identifies and evaluates uncertain tax positions, if any, and recognizes the impact of uncertain tax positions for which there is a less than more-likely-than-not probability of the position being upheld when reviewed by the relevant taxing authority. Such positions are deemed to be unrecognized tax benefits and a corresponding liability is established on the statements of financial position. The Foundation has not recognized a liability for uncertain tax positions. If there were an unrecognized tax benefit, the Foundation would recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. The Foundation's open tax years subject to examination by the Internal Revenue Service generally remain open for three years from the date of filing.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

18. Fair Value of financial instruments

The Foundation reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 - Valuation is based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 - Valuation is based on observable quoted prices for similar assets and liabilities in active markets.

Level 3 - Valuation is based on inputs that are unobservable and are supported by little or no market activity, therefore requiring management's best estimate of what market participants would use as fair value.

Fair value estimates discussed herein are based upon certain market assumptions and pertinent information available to management. The respective carrying value of certain financial instruments approximates their fair values due to the short-term nature of these instruments. These financial instruments include cash and cash equivalents, pledges due in one year or less, and accounts payable and accrued expenses. Contributions due beyond one year are recorded at their net present value using a risk-free interest rate available on U.S. Treasury issues at the date the pledge was made with an equivalent term approximately equal to the number of years over which the pledge will be paid (see Note C), which approximates fair value. The Foundation's Level 1 financial instruments consist of investments as identified in Note B and are valued based on quoted market prices.

The Foundations' Level 3 financial instruments consist of:

Florida Prepaid Scholarships of \$6,712,527 and \$6,031,842 as of March 31, 2023 and 2022, respectively.

Trust liability of \$16,783 and \$52,931 as of March 31, 2023 and 2022, respectively, which are valued using the present value of estimated future payments using a discount rate and mortality tables.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

18. Fair Value of financial instruments (continued)

The Foundation has no Level 2 financial instruments.

i. Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. The Foundation's management evaluates the significance of transfers between levels based upon the nature of the investment. For the years ended March 31, 2023 and 2022, there were no material transfers in or out of Level 3.

ii. Level 3 Activity

For assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3), a reconciliation is required of the beginning and ending balances, separately, for each major category of assets and liabilities, except for derivative assets and liabilities, which may be presented net. The table below represents the reconciliation of the Foundation's assets measured at fair value on a recurring basis using significant unobservable inputs.

| | Florida prepaid scholarship | | | Trust liability |

19. Recently implemented accounting pronouncements

i. Leases

FASB issued Statement ASU 2016-02, Leases. ASU 2016-02 aims to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by organizations The provisions in ASU 2016-02 are effective for periods beginning after April 1, 2022. The Foundation implemented this statement during the year ended March 31, 2023, and there was no impact due to the fact the Foundation does not have any long-term lease agreements.

ii. Contributed nonfinancial assets

In September 2020, the FASB issued ASU 2020-07 Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets, which amends guidance for not-for-profit entities that receive contributed nonfinancial assets. The update requires not-for-profits to present contributed nonfinancial assets as a separate line item in the statement of activities, and to disclose information regarding each type of contributed nonfinancial asset. The change in accounting principle was adopted prospectively in the fiscal year ended March 31, 2022. As a result, there was no cumulative effect of the change on the change in net assets, net assets without donor restrictions, or total assets as of March 31, 2022.

20. Recently issued accounting pronouncements

In June 2016, the FASB issued ASU 2013-13, *Financial Instruments - Credit Losses (Topic 326)*. The ASU changes the impairment model for most financial assets that are measured at amortized cost and certain other instruments from an incurred loss model to an expected loss model. Entities will be required to estimate credit losses over the entire contractual term of an instrument. The ASU is effective for fiscal years beginning after December 15, 2022. The Foundation must apply the amendments in the ASU through a cumulative effect adjustment to net assets as of the beginning of the first reporting period in which the guidance is effective except for certain exclusions. The Foundation is currently evaluating the impact of this ASU on its financial statements.

NOTE G - RETIREMENT PLAN

Effective January 1, 2007, all employees of the Foundation were classified as employees of Valencia. Most employees working in regularly established positions of Valencia are covered by the Florida Retirement System ("FRS"). The FRS is primarily a State-administered, cost-sharing, multiple-employer, defined benefit retirement plan (the "Plan"). Essentially, all regular employees of participating employers are eligible to enroll as members of the FRS. Benefits in the Plan vest at six years of service. All members are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, which may include up to four years of credit for military service. The Plan also includes an early retirement provision but imposes a penalty for each year a member retires before his or her normal retirement date. The Plan provides retirement, disability, and death benefits, and annual cost-of-living adjustments.

The Foundation's liability for participation is limited to its payments, reimbursed to Valencia, of the required contribution at the rates and frequencies established by law on future payrolls of Valencia. The Foundation's contributions for the years ended March 31, 2023 and 2022 totaled \$97,595 and \$108,034, respectively, which were equal to the required contributions for the fiscal year and are included in salaries and benefits on the accompanying statements of functional expenses.

NOTE G - RETIREMENT PLAN (continued)

Net assets released from restrictions to support programs are as follows at March 31,

| | 2023 | 2022 |
|--------------------------|-----------------|-----------------|
| Scholarships | \$ 2,747,524 | \$ 2,432,863 |
| Academic program support | 2,093,669 | 906,479 |
| Teaching chairs | 183,712 | 75,527 |
| Other | 305,757 | 72,813 |
| Total | \$ 5,330,662 | \$ 3,487,682 |

The Foundation has implemented an administrative fee for the management and stewardship of the investment pool. The fee is calculated on a quarterly basis as a percentage of the value of the investment pool. For the years ended March 31, 2023 and 2022, this fee was 1.8% and 1.5%, respectively. Total administrative fees released from restriction were \$1,640,589 and \$1,455,746 for the years ended March 31, 2023 and 2022, respectively, and are included in net assets released from restrictions for administrative support on the accompanying statements of activities.

NOTE I - ENDOWMENT FUNDS

The Foundation has donor-restricted endowment funds that are restricted to investment in perpetuity and are recorded as net assets with donor restrictions. The returns on the donor restricted endowment funds have been included in the various components of investment income with donor restrictions on the accompanying statements of activities since they are restricted by the donor for scholarships, academic program support, and teaching chairs. The general spending guideline is to support an annual payout of at least 4% from those accounts that have attained their minimum and expected level of donor contributions along with all applicable state, federal, and any other matching monies due. Spending rate is based upon a seven-year rolling average of endowment market values. Carry-over of unspent distributions and special payments in excess of the annual spending policy are allowable expenditures only with the special approval of the board of directors.

The Board of Directors of the Foundation has interpreted the Florida Uniform Prudent Management of Institutional Funds Act ("FUPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as net assets with donor restrictions: (a) the original value of the gift donated to the permanent endowment, (b) the original value of the subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

NOTES TO FINANCIAL STATEMENTS

For the years ended March 31, 2023 and 2022

NOTE I - ENDOWMENT FUNDS

Earnings on donor-restricted endowment funds are classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by FUPMIFA. In accordance with FUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund.
- The purposes of the Foundation and the donor-restricted endowment fund.
- · General economic conditions.
- The possible effect of inflation and deflation.
- The expected total return from income and the appreciation of investments.
- Other resources of the Foundation.
- The investment policies of the Foundation.

The Foundation has a board-designated endowment fund recorded as net assets without donor restrictions, which was designated by the Board in 2007 for the Title III East Campus Fund for which the earnings are designated for academic support and teaching chairs at Valencia's East Campus.

The endowment funds are invested in accordance with the investment policies of the Foundation in order to preserve and enhance the real purchasing (i.e., inflation-adjusted) power of the pooled investment fund while providing a relatively predictable, stable, and constant stream of earnings. The Foundation's performance objective is to grow the market value of assets net of inflation, administrative, and investment expenses, over a full market cycle (generally defined as a five to seven year period) without undue exposure to risk. In quantitative terms, the objective is to earn a total return over inflation without exceeding a standard deviation of 1.2 times a weighted benchmark index. The benchmark index for the Foundation will be comprised of each asset class index weighted by its target allocation. It is also expected that the portfolio will outperform on a nominal or risk-adjusted basis this weighted benchmark index over a full market cycle.

NOTE J - COMMITMENTS AND CONTINGENCIES

1. Legal

In the normal course of operations, the Foundation may be party to various pending or threatened legal actions. As of the date of this report, management is not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed.

2. Concentration of credit risk

Financial instruments that potentially expose the Foundation to concentrations of credit risk include cash balances in excess of federally insured deposit balances and investments. The Foundation places its cash and cash equivalents with high-quality financial institutions and has not experienced any losses on such accounts. At March 31, 2023, insurance coverage amounted to \$250,000 per depositor at each financial institution. The Foundation believes it is not exposed to any significant credit risk on cash and cash equivalents.

The Foundation also has significant investments that are subject to concentrations of credit risk. Investments are made by investment managers engaged by the Foundation and the investments are monitored for the Foundation by these same managers. Although the market value of investments is subject to fluctuations on a day-to-day basis, management believes the investment policy is prudent for the long-term welfare of the Foundation.

NOTE K - SUBSEQUENT EVENTS

The Foundation has evaluated subsequent events through August 28, 2023, the date which the financial statements became available for issue and has determined that no material events occurred that would require disclosure, except for those listed below.

SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Valencia College Foundation, Inc. Orlando, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Valencia College Foundation, Inc. (the "Foundation") (a nonprofit organization), which comprise the statement of financial position as of March 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 28, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
