Proposal 2425-092 was approved by consensus.

2425-093   Criminal Justice Experiential Learning Program - Corrections Officer Track,
CPM……………………………………………………………………………………………………...James McDonald
Purpose: CJJ 2001 was removed as a required course and moved to electives. This is consistent with the changes made to the A.S. degree (CJE 2000 and CJJ 2001 were both moved to electives). CJC 2162 was also moved to electives. In addition, the requirement to complete PSY 2012 or SYG

2000 has been removed. This will reduce the general education requirement from 18 credit hours to 15 credit hours but will add an addition three credit hours for electives that will give law enforcement officers more opportunities to earn credit for prior learning. Under semester 6, we changed the CJ elective requirement from 9 hours to 3-9 hours. This accounts for the variation in credits awarded for the licensure articulation (6-12 credit hours). Depending on how many credit hours a student is awarded, a student may not need to complete 9 credit hours of CJ electives. Replaced MGF 1130 with requirement: Math: See Gen. Ed. core requirement; *Effective Date:* Fall 2025 (202610).

Proposal 2425-093 was approved by consensus.

2425-095   A.S. in Criminal Justice, CPM………………………………………………....James McDonald
Purpose: CJE 2000 and CJJ 2001 are being removed as required courses in the program and are being moved to electives. This change will create six additional hours of elective space to give the program 15 credit hours of electives. This benefits students in several ways: 1) It allows students who want to complete their 36 hours of General Education to earn an A.A. degree as well as the A.S. degree. 2) The additional credit hours will create more room for students to earn credit for prior learning. 3) This will give A.A. students an opportunity to earn a career credential (i.e., an A.S. degree). MGF 1130 was removed and replaced with a requirement to complete a Math Gen. Ed. core GR course. SLS 1124 was removed and replaced with CCJ 2452, Criminal Justice Administration. In the electives, we've added Math, Humanities, and Social Science Gen. Ed. core/institutional course requirement. Science was added as a Gen. Ed. core requirement as well; *Effective Date:* Fall 2025 (202610).

Proposal 2425-095 was approved by consensus.

2425-098 Criminal Justice A.S./A.A. Track, CPA…………………………………..James McDonald
Purpose: This new track under the Criminal Justice A.S. degree program will provide a structured and prescribed pathway for students in the A.S. degree to also earn an A.A. degree. This modification also includes the removal of SLS 1122 as a general education requirement.; ***Effective Date:*** Fall 2025 (202610).

Proposal 2425-102 was approved by consensus.

2425-103   A.S. in Paralegal Studies, CPM…………………....................................Cathy Mestre
Purpose: Paralegal faculty and the program's Advisory Committee looked at the program's curriculum to meet workforce needs for our graduates. A major change to the program had not occurred in 20 years. By changing from a two-track program to a single-track, we will enable students to take two PLA electives, rather than one. The electives will further support graduates in their careers as paralegals. We have added a new Immigration course elective. Additionally, we have revised the non-legal specialty courses to better support transfer to a bachelor's degree. We have also added a new legal specialty course--Foundations of Law for Paralegals--to focus on areas of law for paralegals and the consequent practical legal skills. This will replace the theoretical approach in the currently required non-legal specialty courses and electives. These changes were analyzed and approved by the Paralegal Studies Advisory Committee composed of attorneys, judges, and paralegals who advise the program about trends and careers in the legal field; ***Effective Date:*** Fall 2025 (202610).

Proposal 2425-103 was approved by consensus.
