The State Requirements for Educational Facilities requires that annual fire safety, casualty safety, and sanitation inspections be completed each year and that the schedule of corrections of each deficiency be adopted by the District Board of Trustees. The inspection of our College facilities took place during February this year. The following locations were inspected:

Advanced Manufacturing Training Center  
District Office  
Downtown CAT  
East Campus  
Fire Rescue Training Facility  
Lake Nona Campus

Osceola Campus  
Poinciana Campus  
School of Public Safety  
West Campus  
Winter Park Campus  
Northwest CAT

No deficiencies were identified during the inspection of all College buildings, which total over 2.4 million square feet. As a result, no schedule of corrections is required.

**RECOMMENDED ACTION:**

The President recommends that the District Board of Trustees of Valencia College approve the 2024-2025 State Requirements for Educational Facilities Report, as presented.
