

Summer 2025 Enrollment Report

Headcount Comparison – 10 Year Trend

The total number of students enrolled at Valencia increased 10.6% from Summer 2024 to Summer 2025, and full-time equivalent (FTE) enrollment (a measure of credit hours) increased 13.3% from last summer. Summer 2025 represents the largest summer enrollment **ever** at Valencia College, including Summer 2020 which was artificially high due to enrollment incentives from COVID-related funding.

Enrollment by Student Type

We continue to see strong enrollment across the primary student types of First-Time-in-College (FTIC), Returner, Transfer, and Dual Enrollment. Summer semester is historically the smallest for FTIC enrollment. The largest sector of enrollment continues to be returner students, which accounts for more than 78% of our overall enrollment for the summer term.

Student Type	Summer 2024 Headcount	Summer 2025 Headcount	Unduplicated Headcount Difference
FTIC	946	1063	12.4%
Returner	22,220	25,083	12.9%
First-Time @ Valencia (Transfer)	1,898	2,035	7.2%
Dual Enrollment	1,843	2,072	12.4%
