- February 9-11, 2026
- Met with state legislators to advocate for increased funding for the Florida College System through this year's funding formula.
- Our team highlighted how these additional resources would enhance the student experience at Valencia College and focused on strengthening our relationship with statewide leaders.
- Networked with SGAs from across state to expand leadership skills and make connections.

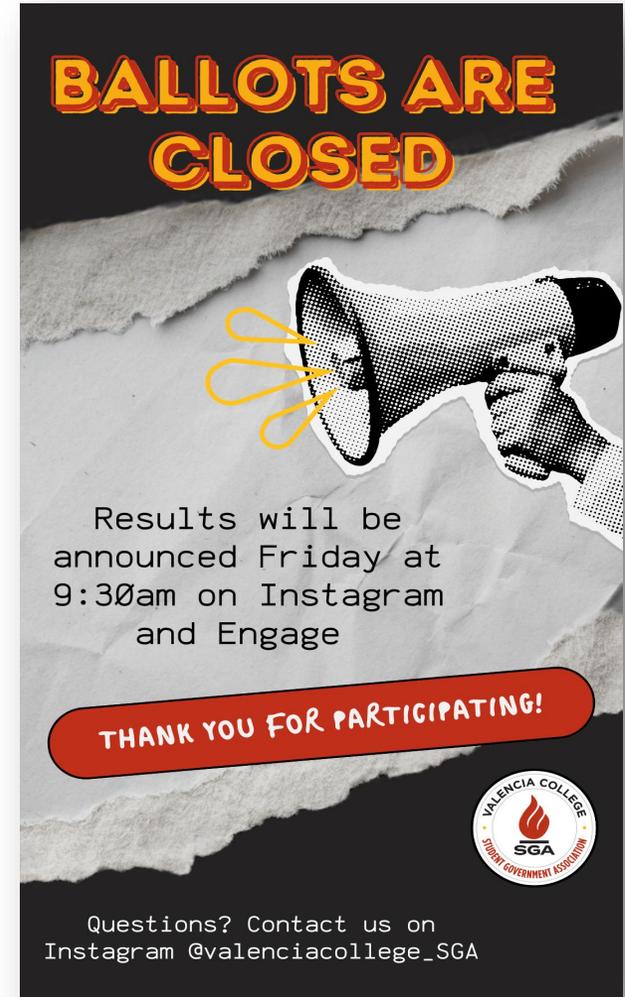

Thrift and Thrive + Volunteer Florida

- Thrift & Thrive at the Osceola Campus was a major success, with over 200 students attending.
- More than 600 donated clothing items were given away, with no item limits.
