

District Board of Trustees Foundation Report

June 11, 2026

The Valencia College Foundation is grateful for the continued support of the Valencia College's Board of Trustees. We are proud to share that 100% of current Trustees are donors to the Foundation. Your commitment reflects a strong culture of philanthropic leadership and serves as a model for the Foundation Board of Directors, as well as for community leaders and partners across the region as we work to inspire a shared commitment to Valencia's mission.

Valencia College Trustee Shawn Hindle, who serves as the Board's Representative to the Foundation Board of Directors, encourages other Trustees to support the Valencia College Foundation.

Expanding Access and Opportunity

Project Compass graduating class of 2026 excited to learn about the Goodwill Pathways Scholarship at their graduation ceremony.

Inspired by the impact of the Lift Scholars Program at Jones High School, Goodwill Industries of Central Florida partnered with Valencia College and the Valencia College Foundation to launch the Goodwill Pathways Scholarship. Via this program, the 2026 graduating class of Project Compass, an Orange County Public Schools Alternative Education Program, will be able to participate in one of Valencia College's Accelerated Skills Training programs with no out-of-pocket cost for tuition and fees.
