Physical Plant Maintenance and Sanitation

Policy Statement:

It is the responsibility of the District Board of Trustees to adopt policies for the maintenance, sanitation, and housekeeping of the College which will ensure the health and safety of the occupants as well as provide a suitable learning environment and the preservation of the plant in compliance with the provisions of Section 235.06 F.S. and Rules of the State Board of Education adopted thereunder. To these ends the following policies are established for Valencia College:

- I. It shall be the responsibility of the president of the College to see that adequate plans are developed to achieve the above requirement.
- II. Direct responsibility for implementing these plans and evaluating the maintenance, sanitation, and housekeeping of the College is delegated to the assistant vice president for facilities.
