Valencia College and Osceola Technical College  
Computer and Networking Programs – Page 2**

**MAXIMUM AWARD OF CREDIT**

This agreement makes it possible for a student to receive up to nine (9) semester hours of college credit for the Applied Cybersecurity and Network Support programs towards the A.S. degree in Cybersecurity and Network Engineering Technology at Valencia College which is in accordance with commonly accepted good practice in higher education.

**ASSESSMENT AND COURSE EQUIVALENCY**

Valencia and Osceola Technical College faculty and staff with responsibility for supervision and coordination of the articulated programs have reviewed and assessed the program curriculum for alignment of learning outcomes and determined that the learning outcomes, performance standards, and assessment procedures meet the college standards for college credit course work.

The following materials were reviewed to align the program learning outcomes and determine the equivalency of the content and course work to be articulated: *(curriculum frameworks, samples of instructional materials, syllabi with learning outcomes, various assignments and assessments, and textbooks)*.

**VALIDATION MECHANISM**

The validation mechanism for awarding college credit is based on the following student assessments that are identified for each articulated program: *(portfolio review, special projects, performance-based, industry certifications/licensure, written assessments skills inventory assessments or a combination)*.

**TRANSFERRING PROCESS**

To receive college credit for the articulated programs completed at Osceola Technical College, transferring students must meet the following requirements:

1. Meet with the Tech Express Coach prior to graduation from o-TECH to review and prepare the documentation needed to ensure a seamless transition to Valencia College.
2. Apply for admission to Valencia College and meet the College entrance requirements (Tech Express Coach can assist students with this process).
3. Submit a completed Valencia College application for Admission, satisfy the requirements for Degree-Seeking Status, including submission of all official transcripts, and declare a major in the articulated program.
4. Be accepted into Valencia within three years of completing the Osceola Technical College program.  
*(Note: If it's been longer than 3 years, an exception will be considered if the student can demonstrate they have current industry knowledge (i.e. through an employer letter, etc.)*
5. Complete orientation and comply with the appropriate placement, course prerequisites and requirements of the college.

6. Following enrollment at the college, student must meet with Valencia's Student Success Coach to review and verify all of the required documentation that has been submitted, and determine eligibility. *(Students must submit their official transcripts verifying completion of the articulated program, as well as all of the documentation that is required for evaluation of their assessment (s) identified below before the college credit can be awarded).*

**Required Student Assessments:**

- Students must provide a current and valid copy of the required industry certifications that are specified in this agreement for each program. (Refer to page one of this agreement for the required certifications).
- \* **Note:** variable credits are awarded based on the specific Technical College programs the students completed, and the corresponding required industry certifications they received.

7. After verifying the required documentation and evaluating the approved assessments(s), the Valencia Student Success Coach or Program Chair for the articulated program will determine eligibility, and notify the Registrar's Office of acceptable credit to be awarded. *(Credit will be awarded after the drop/add date, and the evaluation process has been completed).*

**TERMS OF AGREEMENT**

This agreement will be reviewed on an ongoing basis to ensure that it remains current and up-to-date. The Valencia Tech Express Coach will work collaboratively with the Osceola Technical College and Valencia College faculty and staff to stay informed of any curriculum/program changes that may impact this agreement and require it to be modified or terminated. If it is determined that an agreement needs to be modified or terminated due to program changes, both institutions will be notified accordingly.
