Apply and Submit

- Apply for admission at: valenciacollege.edu/futurestudents
- Claim Florida Residency (if eligible). For instructions on how to submit your Florida residency for Tuition Purposes Form and residency documents, visit valenciacollege.edu/residency*
* If you're under the age of 24, these documents will need to be your parent's or legal guardian's documents unless you meet an independent exception.
- If seeking financial assistance, apply for financial aid at fafsa.gov using Valencia College code: 006750.
- Check out Valencia College scholarships at: valenciacollege.edu/scholarships
- Please submit official transcripts to the Admissions and Records office. Official PDF transcripts can be sent to transcripts@valenciacollege.edu or mailed to 1800 S. Kirkman Road, Orlando, FL, 32811. We recommend having transcripts sent electronically to ensure Valencia College receives and processes them as quickly as possible. Unofficial transcripts will not be processed.

This can be completed anytime during the enrollment process, but transcripts must be received prior to starting classes and being awarded financial aid.

First Time in College Students: Request your official final high school transcript showing your date of graduation from high school or official GED transcripts/scores. You will be classified as a non-degree-seeking student until your official final transcript has been received.

Transfer Students: Request official transcripts from all colleges that you ever attended. It is suggested that you also have your official final high school transcript or official GED transcripts/scores sent to Valencia College. Both high school and college transcripts must be received and evaluated before financial aid will be awarded.

- Complete orientation. Wait 24 hours after creating your Atlas account and then log into your Atlas account, and on the My Atlas tab, look for the New Student Orientation channel, and click “Sign Up.”

You'll decide when you want to receive your orientation materials, so we can prepare personalized orientation information and send you your orientation email on your selected date. This email will contain helpful information about Valencia and help you prepare to register for courses.

- If you haven't **submitted your SAT, ACT or high school PERT scores** taken within the last two years, we recommend taking the PERT—so that you can have access to as many classes as possible during your first term.
