

2025-26 Career Pathways Articulation Agreement
between
Valencia Accounting Technology Program
and

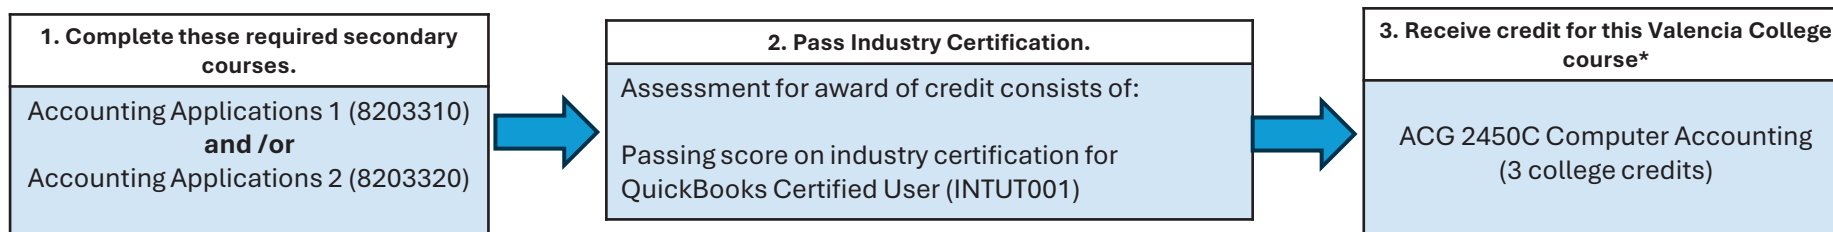

School District of Osceola County Accounting Applications Program

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements:

1. Complete required secondary Accounting courses with a “C” or better.
2. Prior to high school graduation, students must pass the industry certification listed.
3. Enroll and attend Valencia College after high school graduation.

Please note: Valencia College *may* award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution.

The following courses *may* only be applied to the Accounting Technology A.S. degree or Administrative Office Management A.S. degree or as electives in some specializations in the Business Administration A.S. degree programs at Valencia College.
