

**2025-26 Career Pathways Consortium Articulation Agreement**  
*between*

**Valencia Biotechnology Laboratory Sciences Program**  
*and*

**Orange/Osceola School Districts Project Lead The Way (PLTW) Biomedical Sciences Program**

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements:

1. Complete required PLTW Biomedical Sciences secondary courses with a “C” or better.
2. Prior to high school graduation, students must pass industry certification listed.
3. Enroll and attend Valencia College after high school graduation.

**Please note:** Valencia College *may* award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution.

The following courses *may* only be applied to the Biotechnology Laboratory Sciences A.S. degree program at Valencia College.
