**VALENCIA COLLEGE**
Career Pathways

2025-26 Career Pathways Consortium Articulation Agreement
between
Valencia Cybersecurity and Network Engineering Technology Program
and
Orange/Osceola School Districts Applied Cybersecurity Programs

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements:

1. Complete required secondary applied cybersecurity courses with a "C" or better.

2. Prior to high school graduation, students must pass industry certification(s) listed.

3. Enroll and attend Valencia College after high school graduation.

Please note: Valencia College *may* award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution.

The following courses *may* only be applied to the **Cybersecurity and Network Engineering Technology or Computer Information Technology** A.S. degree programs at Valencia College.
