

**2025-26 Career Pathways Consortium Articulation Agreement**  
*between*  
**Valencia Digital Media Technology Program**  
*and*

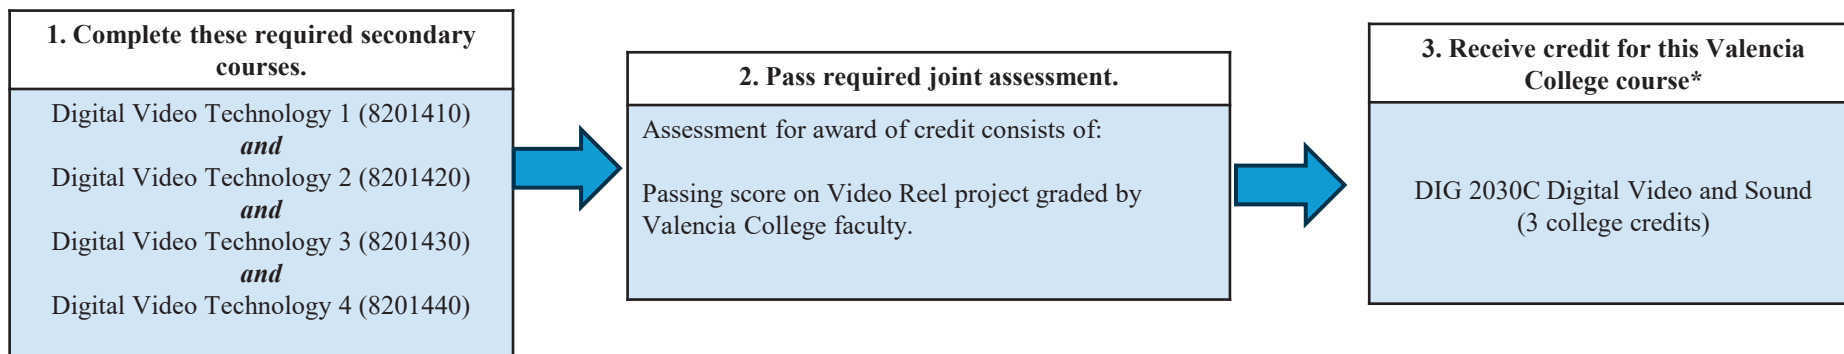

**Orange/Osceola School Districts Digital Media Technology Program Video Production Specialization**

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements:

1. Complete each required secondary Digital Video Technology course with a “C” or better.
2. Prior to high school graduation, students must pass required joint assessment project.
3. Enroll and attend Valencia College after high school graduation.

**Please note:** Valencia College *may* award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution.

The following courses *may* only be applied to the Digital Media Technology A.S. degree program with Video Production specialization at Valencia College.
