

**2025-26 Career Pathways Consortium Articulation Agreement**  
*between*  
**Valencia Health Sciences Program**  
*and*  
**Orange/Osceola School Districts Health Sciences Program**

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements:

1. Complete required secondary Health Sciences secondary courses with a “C” or better.
2. Prior to high school graduation, students must pass joint assessment listed.
3. Enroll and attend Valencia College after high school graduation.

**Please note:** Valencia College *may* award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution.

The following courses *may* only be applied to the **Medical Administration, Health Information Technology, Radiography or Diagnostic Medical Sonography** A.S. degree programs at Valencia College. Most of the Health Sciences programs are limited access. Please check the catalog for admissions requirements.
