

2025-26 Career Pathways Consortium Articulation Agreement
between
Valencia Information Technology Program
and
Orange/Osceola School Districts Web Development Program

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements:

1. Complete required secondary course listed with a “C” or better.
2. Prior to high school graduation, students must pass joint assessment or industry certification listed.
3. Enroll and attend Valencia College after high school graduation.

Please note: Valencia College *may* award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution.

The following courses *may* only be applied to the **Computer Programming and Analysis or Computer Information Technology** A.S. degree program at Valencia College.
