

VALENCIA COLLEGE

# Safety Conversation from Faculty Council

April 25, 2018

Safety has been  
a theme  
for Faculty  
Council this year

- Communication
- Connection
- Action

# Communication

- We have heard from faculty through our Faculty Council structure
- I have visited every campus faculty senate/assembly
- I have promoted safety in e-mail communications twice a month which promoted individual faculty meetings
- Promoted Valencia College's safety app, security, services, and Mike Favorit's phone number (407-416-3314)

# Connections

- Faculty Council has had meetings with Student Affairs, Security, Professional Development, Human Resources, administrators, and others.
- Faculty Council has partnered with administration on discussing safety with faculty and at the college.
- Faculty Council has had Title IX Training and planned future trainings.
- Faculty Council is working diligently to talk with faculty to hear concerns and offer support.
- Faculty Council has promoted Mike Favorit's phone number (407-416-3314)

# Future

- Faculty Council is working with Student Affairs, Security, Professional Development, Human Resources, and others.
- Faculty Council is promoting the Run, Hide, Fight Training, Safety App, and working on new Security training and Professional Development Opportunities.
- Faculty Council would like to work with the District Board of Trustees to continually improve safety at Valencia College.
- Faculty Council will continue to promote Mike Favorit's phone number (407-416-3314)

Thank you

- Al Groccia
- Professor of Mathematics
- College-wide Faculty Association President
