Valencia College will host up to 20 undergraduate students, aged 18-25, from communities in Bosnia and Herzegovina. This opportunity addresses the growing reluctance of Bosnian citizens to engage in civic activities. The broad goals of this project are to:</p> <ol style="list-style-type: none"> 1) motivate participating Bosnian youth to become and stay engaged in the improvement of their communities and improvement of civic institutions/services 2) empower these students to think outside the box and look past their possible restraints 3) equip students with skills that can foster entrepreneurial skills, economic development, and ultimately lead to youth employment. 	<p>\$130,733</p>	<p>No</p>
