| <p>Name of Project: FL DOE Carl D. Perkins Career & Technical Education 2019-2020</p> <p>Accountable Administrators: Isis Artze Vega</p> <p>Project Directors: Anjela Madison</p> <p>Campus Department: College Wide</p> <p>Funding Category: State</p> <p>Funding Source: Florida Department of Education</p> <p>Date Application Submitted: 6/27/2019</p> | <p>Florida Perkins IV State Plan will be extended through fiscal year (2019-2020) during the transition to Perkins V. The \$3,089,695 allocation to Valencia (increase of \$414,544 over last year) is contingent on Florida award from the Federal allocation. The state has instructed applicants to prepare this year's proposal based on an extension of previously-submitted five-year plans, while allocating funding to conduct a comprehensive local needs assessment (CLNA) that is a requirement of Perkins V. The CLNA will explore various aspects of programs and outcomes to produce a more data-driven approach to the local planning and allocation process. A significant amount of consultation with stakeholders is also required while conducting the needs assessment. The results from the CLNA will dictate the types of programs and activities that agencies can implement with Perkins V funding during the 2020-21 program year and in subsequent years. Valencia shall use funds to develop, coordinate, implement, or improve CTE programs to meet the needs identified in the CLNA and improve the success of students majoring in the programs.</p> | <p>\$3,089,695</p> | <p>No</p> |
