RE: AWARD OF RFP 2021-01, DISTRICT OFFICE ROOF REPLACEMENT

On July 10, 2020, the College issued a Request for Proposals (RFP), 2021-01. The RFP sought to procure a contract to replace the District Office roof. This project includes the process of removing the sloped clay tile roof and replacing it with a metal roofing system to include all the associated flashing, trim and gutters.

On August 13, 2020, Five (5) suppliers submitted proposals:

1. Alpha Roofing & Sheet Metal LLC
2. Atlas Apex Roofing, LLC
3. Collis Roofing, Inc.
4. Springer-Peterson Roofing & Sheet Metal, Inc.
5. T&G Corporation dba Bowhead Roofing

A public evaluation meeting was held on August 21, 2020, to discuss and review the proposals. Five (5) committee members scored and ranked the proposals based on the following criteria: related experience, cost, project personnel & experience, proximity to the District Office, and proposer's RFP submission quality.

Following full discussion and deliberation, the Evaluation Committee recommended selecting the highest ranked supplier, T&G Corporation dba Bowhead Roofing, at a cost of \$793,701 with allowances.

RECOMMENDATION:

The President recommends that the District Board of Trustees of Valencia College authorize the College to award RFP 2021-01 to T&G Corporation and enter into a contract to engage T&G Corporation for the provision of District Office Roof Replacement, at a cost of \$793,701 with allowances.
