Students continue to be excited about the variety of engagement opportunities on campus.

# Good Morning Valencia Podcast

---

- The “Good Morning Valencia” podcast has continued its success and impact in the spring semester!
- Podcast guests this semester include: Student Leader panel, Dr. Shugart, Dr. Terri Graham, and more!

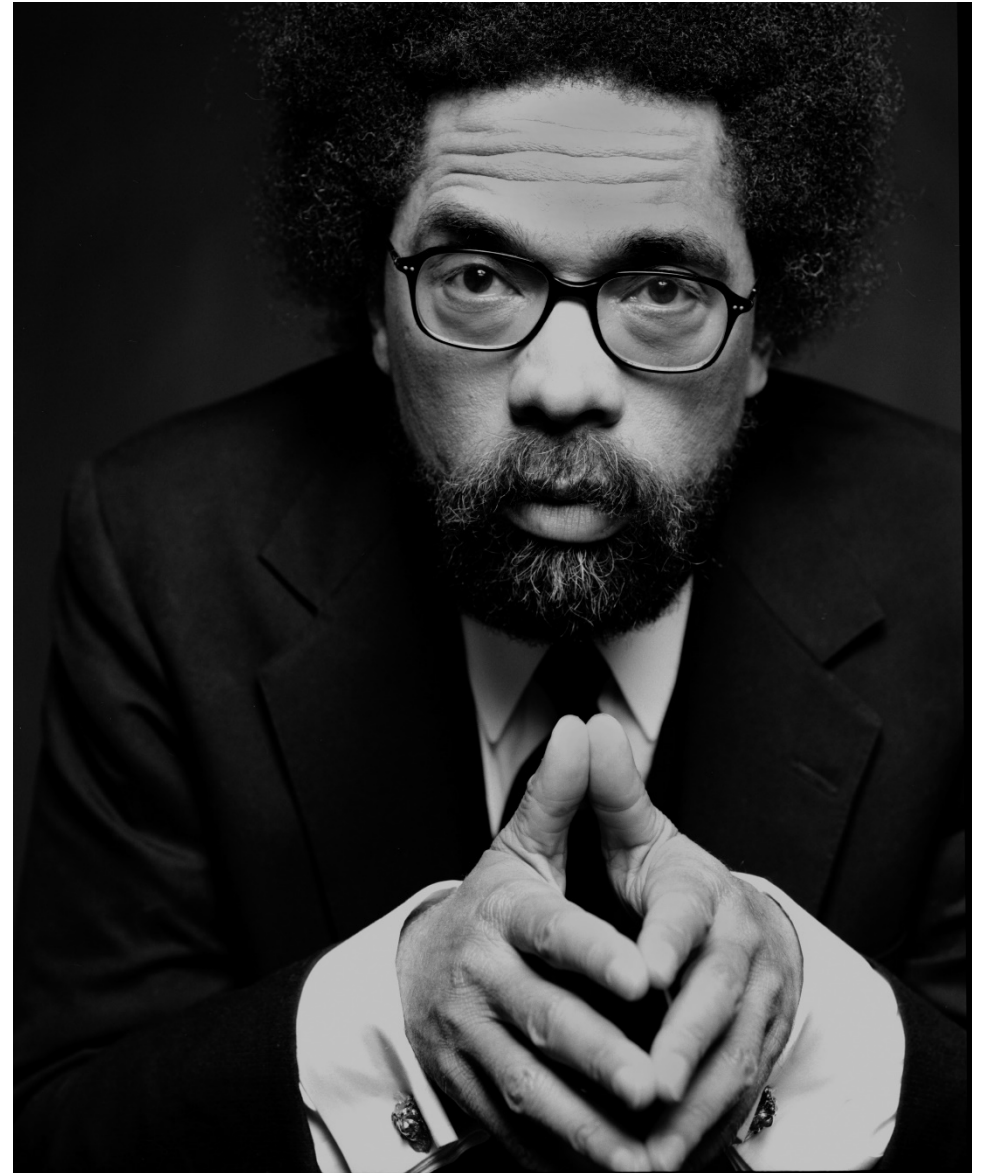

# SGA Calling Campaign

- Spring SGA Project: Calling campaign to check-in with Valencia students who have re-enrolled in a class that they did not successfully complete in the previous semester (Fall 2020)
- The goal is to better understand their experiences and provide useful academic and involvement resources to support them in their academic pursuits.
- SGA is attempting to make contact with approximately 5000 students.

## Student Development Speaker Series: Dr. Cornel West

- Student Government and Student Development recently hosted renown philosopher Dr. Cornel West.
- Dr. West's discussion centered around his development from a young man to one of the most provocative philosophers of our time.
- The whole college community including faculty, staff, students, and community members had the opportunity to attend this event.

# #First15 Progress

---

- Spring 2020-Summer 2020: 1,634 Students Received Care Package
- Fall 2020 Cohort: 1,351 Students Received Care Package
- Instagram interactions of students with #First15 shirts have skyrocketed!
