Kadejah Lugg

- Major: (A.A) Associate in Arts degree (General Studies)
- Pending : (A.S) Associate in Science degree (Radiography)
- Career Goals: Interventional radiologist
- Something you love about Valencia: Valencia offers many resources for students whether it's counseling, advising with classes, tutoring, or financial assistance. I have made use of these resources and it does make a difference in your academics and your outlook on life. The staff and faculty here at Valencia are welcoming and caring, which makes me as a student feel at home.

Adelina Cardona

- Major: Business & Organizational Leadership
- Career Goals: Be able to help students achieve their own goals the way the Valencia faculties & staff has assisted me in my own journey.
- Something you love about Valencia: I love how the students truly matter in Valencia & they make it known.

BLACK HISTORY MONTH PROGRAM

- Students and staff viewed civil rights era film *Selma*
- *At the conclusion of film there were trivia questions and a discussion*

The movie poster for *Selma* features a large portrait of Martin Luther King Jr. in the center, with other cast members like Cuba Gooding Jr. and Cicely Tyson around him. An American flag is visible in the background.
