# SGA TALKS

## GENERAL ASSEMBLIES

The General Assembly serves as an opportunity to inform students about Valencia College updates and hear student's recommendations on how to improve their college experience.

## BIGGEST SUCCESS FROM THESE EVENTS...

For our in-person SGA Talks, we actively interact with students to get their feedback on what they want to see on campus.

For our virtual SGA Talks (via Instagram live) we are able to reach students that are unable to meet at a set time and still get them the information we are sharing.

The image features a background of soft-focus white flowers and green leaves, with a warm, golden light filtering through. A white rectangular box is centered over the image, containing the text "SPRING SEMESTER PLANS" in a bold, red, sans-serif font. The text is arranged in two lines, with "SPRING SEMESTER" on the top line and "PLANS" on the bottom line.
