Who is DSL?

The Downtown Student Life Board (DSL) is a programming board made up of both UCF and Valencia College students. The team is very integrated since we have a connection between two institutions.

Fall 2022 Recap

Downtown Campus

Resource Fair

At our Resource and Registered Student Organization (RSO) Fair, students got to meet with and explore numerous support services, programs, and registered student organizations available at the UCF Downtown and Valencia College Downtown Campus.

Fall 2022 Recap

Downtown Campus

Foam Splash

Students jumped into a foam pit, took photos at our photo station and surfed on a mechanical surfboard, all while enjoying corn dogs and having a blast with DSL.

Fall 2022 Recap

Downtown Campus

Student Engagement

DSL has offered many opportunities to allow students to not only explore their campus but also Downtown Orlando with events such as the Orlando City Soccer and Solar Bear Games.

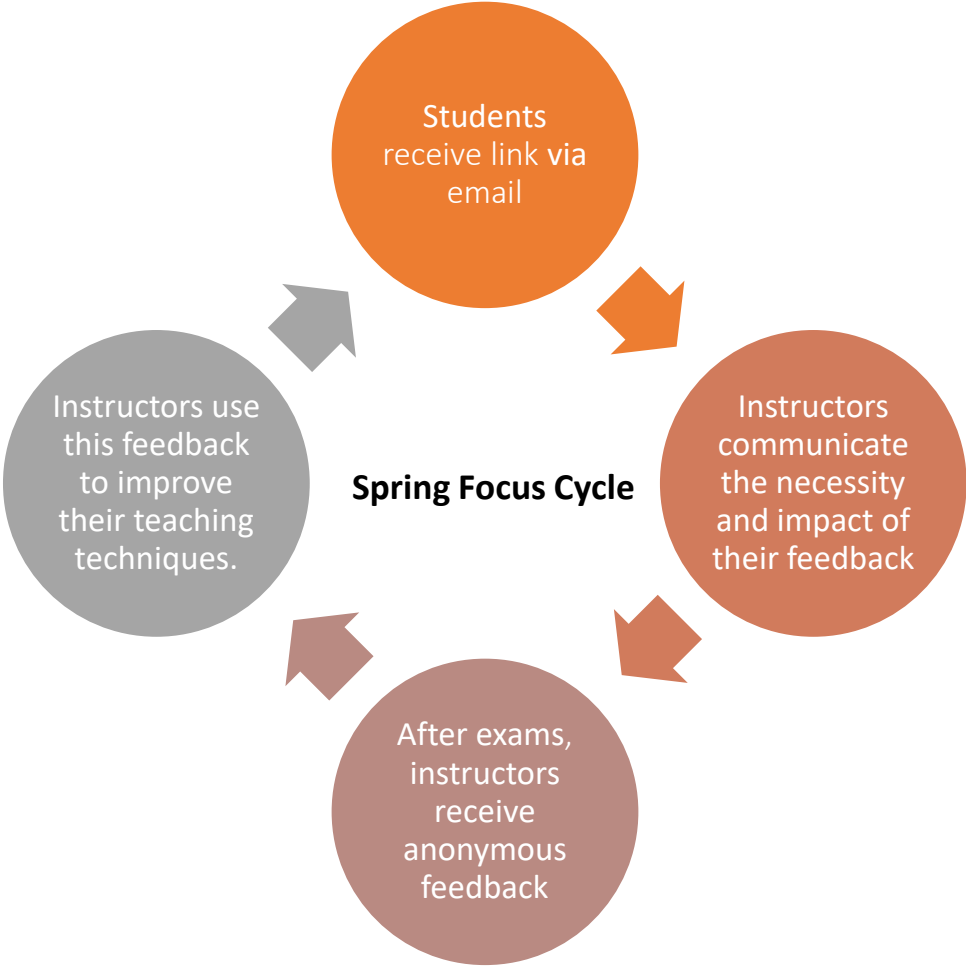

Current Initiatives

President Student Advisory Board

Spring Focus

Increasing different ways that Valencia Students can participate with the Student Feedback on Instruction Surveys (SFI). This way the Valencia Community can improve and provide course improvement and college access for students.

Current Initiatives

Community Engagement: Community Garden

Valencia College and UCF have recently purchased a Garden in the Parramore Community. DSL's goal is to provide volunteer opportunities to upkeep and harvest crops. These crops will be used to provide fresh foods to the Downtown Pantry.

Current Initiatives

Downtown Campus

Enhancing Social Engagement

DSL would like to introduce continuous bus trips for students which will take them from Downtown Campus to places that they cannot walk to such as the Malls, Disney Springs, Universal City Walk, Beaches and More!

Future Plans

Downtown Campus
