Dual-Enrolled Students

Dual-enrolled students are those who have not graduated from high school, have been accepted into the Dual-Enrollment program, and who are simultaneously receiving college and high school credit. Dual-enrolled students may be members of a class taught in a high school in the service district or may be enrolled in a course on a Valencia campus with the approval of the Dual-Enrollment Office. Dual-enrolled students are either shown as FTAV (First-Time-at-Valencia) or Continuing Dual-Enrolled, signifying that the student is still enrolled in high school, but has completed a dual-enrolled course in a previous semester.

Remediation Report (Mandate Rates)

When previous year high school graduates apply for admission as degree seekers, they take the Computerized Placement Test (CPT) required by the State of Florida, or they present an ACT or SAT score. These test scores place the student into either college-preparatory or college-level courses in English, reading, or mathematics. The college-preparatory course may be at the first or second level; generally the first level is for up to ninth grade work, while the second level is for tenth to twelfth grade work. Remediation rates are computed for previous year high school grads (PYHSGs) who are first-time-in-college degree seekers, including students who were dual enrolled prior to their high school graduation. Placement levels for previous year high school graduates from the service district are shown below.
